Constantine 325 CE

Editor Will Wade

Riding The Beast or a Religion That Is Full of Names of Blasphemy  
 What the Saints overlook is this warning that there is a Great Whore who is riding on a beast and the beast is fed -full of names of Blasphemy (Rev. 17:3b). Note the -beast is the religion of the Great whore. John gives warning, In her religion, the belly of her beast she feeds full of names of blasphemy that deceives the Saints. We can not kill the beast or the Religion of the Great Whore until we recognize what the “blasphemous names” in her Religion is and reject her blasphemous names she has mistranslated into all Bibles. Blasphemous names that are made by the great whore and mistranslated into our most popular Bibles. The name “church” is a blasphemous name. The name “Baptize” is a none descript blasphemous name. The name “week” and the name “Month” are Blasphemous names that deceive the Saints. Revelation 17-18

Note, it is the -Beast of the Great whore that is -full of names of Blashpemy.

The Name of her Beast is “Dogma” or instructions that makes the claim to be from God.

Rev 18:4 My People, Come forth out of her, that you have no fellowship with her sins, and that you receive not of her plagues:

The Conspiracy to Change the Bible name “Ekklesia” to a “Church”

One Brother wrote “God never give a name to the Church.” Wrong, Yes God look ahead and through His apostle John the revelator, describes in his prophecy of the name “Church” is a name of blasphemy. God through the Apostle John gives us warning, that false name “church’ is “a name of blasphemy” and God gives the name definition of “Church” that was first created by the man who created “the first Church” named “Constantine.” God gives us warning, There is a Great whore riding on a Beast and the beast that the Great whore is riding on is her religion. She has fed her beast or her religion full of names of blasphemy. Just one of the names the great whore has fed into her beast or in her religion is the blasphemous name “church.” She has “fed in the belly of her beast” or she has fed into her religion of “The religion of the Great Whore .“ The blasphemous name “church” We warn you, The most popular translated Bibles are riddled full of these blasphemous names that speak injuriously against God and names that deceive the Saints of God. You dont’ think that is possible then you do nto accept true Bible prophecy that give warning the Saints of God will be deceived by blasphemous names..

All who are in a church are a part of the religion of the Great whore and all in churches are her prostitute church daughters and all who copy the name Church are “the little whores” coming from their mother the first church which is “The Catholic Church.”

The truth is, Our God did not start any Church of any kind a man by the name of Constantine stopped allowing

Ekklesia and it was this wicked ruler Constantine who Started the first church ever to exist on planet earth. The Catholic church has started as first church and the Catholic church is the mother of all Churches in the entire world.

We warn you if you are in any Church, you need to make this Bible study but only from the ancient languages of the Bible. We challenge you, You will not find anything written just once in the entire ancient manuscripts of the Bible with the word definitions of any kind of any blasphemous name of any “Church.”

In the entire Bible, God did not established anything outside Then name Ekklesia that is in a hot spiritual warfare with the gates of hell and the gates of hell can not be divide or overcome or divide the Ekklesia established by God. Those who are deceived into the blasphemous names of a passive “Church” or outside the Ekklesia of Christ. All churches are passive in warfare and all churches are overcome because all churches are divided and not one church is undivided or not one church has not been overcome by the gates of hell (Mat 16:18).

If, You who are a Saint in the everlasting kingdom of God, you have been warned there is a “Great Whore” and she has created blasphemous names in her religion to speak injuriously against God and to deceive the Saints of God the blasphemous name Church is just one of her blasphemous names. (Rev.17:3b)

There does exist a “Great Whore” who has created blasphemous names for her religion to speak injurious against the God of the Bible and to deceive the Saints of God in the everlasting kingdom of God. Where is your reasoning, If the Catholic church chooses Hell and to become a Heretic why would anyone who loves truth, choose to follow the Catholic Church with her blasphemous names such as the name “Church” that leads only into perdition.

Martin Luther was a rogue catholic Priest that created a new bible translation with blasphemous names that twist and pummel the Bible records to deceive the Saints of God. All Bible translations copy the blasphemous names of the Catholic Priest Martin Luther. If Martin Luther a rogue Catholic Priest chooses to become an offspring daughter of the Catholic church, Luther and the people who follow Luther, creates a blasphemous name to his “church” such as “The Lutheran Church” and also becomes another heretic and twist and change her Bible records and they teach blasphemy, that your most wicked unrepented sins will not make self -unsaved. Luther by translating the new Catholic Bible translations with blasphemous Catholic church blasphemous names but twisting the Bible translations to teach that that your most wicked unrepented “works” has nothing to do with your salvation. Martin Luther started this false teaching the works or your most wicked unrepented sins will not make self unsaved. Then Martin Luther translates the first Bible with blasphemous names to support his false teaching. All

translated Bibles except the free Ekklesia Bible translation have these same blasphemous names translated into their Bible records. Why would you accept the false translated Bibles with blasphemous names first started by Martin Luther and then choose to follow Martin Luther into hell.

What is dictionary definition of a “name”.

“a word or set of words by which a person, animal, place, or thing (organization) is known, addressed, or referred to.  
“

Our debate with our brethren our God did not give his Ekklesia as a Name “Ekklesia” but gave the blasphemous name of a “church.” God gives us warning “Lack of understanding” or just plain ignorance destroys my people.

Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shall be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

So note, a name is a word that describes a person, a place and animal, or known thing, addresses, or referred to.” Why would anyone teach, because when there is only one of any person, place or thing what the person, place or thing, because there is only one when it is called, it is not a proper name. They teach “The moon is not a name of the planet we call with the word moon.” Not true the “moon” or “Luna” has more than one name. Then

they teach “You call moon by a different name of “Moon” and no one will know what you are talking about. How about the name “Luna” to define a “Lunatic.” They teach because there is only one Ekklesia God then the word Ekklesia is not a given name give to the organization by our God.

Our God is one, and He has a name that differs Him from other kinds of gods. Christ is one and Christ has the true most written name spelled and correctly pronounce “Y’ehsus.” If there is only one of a person or a thing whatever is called as a person or a thing is still the name or authority of that one person or one organization’s name. What can not be different in a name is the function or authority in the word or in name definition. This my dear brethren is the problem when Bible translators mistranslate the True Bible name Ekklesia which Ekklesia is an organization established by God before he laid the foundations of the earth. This Ekklesia is designed by our God to function in hot spiritual warfare that is to be made by the Saints of God against the Gates that deceive the Saints of God and lead the spirits of the Saints into Hell. When the purpose or warfare function the name Ekklesia is compared to the blasphemous name of a passive sit down “church” anyone of reason can see The Ekklesia of God is -not the same as any Church.

Note very carefully, outside the Greek language or in the English language and all other languages in the entire world, there is no name equivalent for the Bible name Ekklesia. To translate correctly, the Name Ekklesia must be Transliterated into the English like the Romans

Christians did in the first Century. For the first three hundred years the Roman Christians were named to be in the “Ecclesiam.” To this day the Roman Latin vulgate Bible is not translated as a “church” but is still correctly translated as the name “Ecclesiam.” The Catholic Church no longer allows before their entire Ekklesia, the hot militant warfare of public debate in militant Conduct of the council of the Ecclesiam to determine instructions (Doctrine or the Latin “Dogma”), they only allow conduct of a passive church. In the Catholic church and he church daughters, all instructions from God is not determined from the ancient languages of the written Bible through public before their entire congregation and the entire congregation of the Catholic Ecclesiam is not allowed to voice their vote to determine for self who is teaching truth “from my God for my eternal life.”

Outside the Greek, No one can correctly translate the Bible name Ekklesia into their different languages by using a different name such as the blasphemous name of a “church.” To correctly translate this name Ekklesia into other languages you must do precisely as did the first Century Romans. The first century Roman Christians transliterated the Greek name Ekklesia into the Roman Latin as the name Ecclesiam. For the first three hundred years Roman Christian were named Ecclesiam. Note Carefully it was in the early fourth century Constantine stopped the purpose, the conduct or the Council of Ecclesiam and started the first blasphemous name of “church” for his organization. God gives us warning through “John The Revelator” this organization started by Constantine he gives the name of a goddess of sexual

fertility, circles and round things named “Circe” and that name “Circe” evolves and is falsely translated into our English Bible as the blasphemous name of a Church.

The problem of our brethren is they can not see the blasphemous names “Church” is not a true Bible translations because in Christ word definition for his Ekklesia is a function of spiritual warfare that is nothing like any church in the entire world. Churches and their blasphemous names they translate into their Bible records does not make any good common sense to become a part of these false teaching that you have been warned the Great Whore and her church daughters will deceive and rob the Saints of eternal life. God gives warning to Come out of all churches and restore Ekklesia in your worship.

Come out of the Great Whore or you will be judged to inherit her plagues (see Greek Strong’s Greek word number 4127 πληγη plege play-gay “ 8“-“: God did not start any Church, Every “Church” in the entire world is a part of the Catholic church.

Rev 18:3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

5 For her sins have reached unto heaven, and God hath remembered her iniquities.

6 Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled full to her double.

There is a conspiracy by a Roman Ruler who has created "The Great Whore" and the conspiracy to change Bible Names to false names that blaspheme God and deceive the Saints of God. This conspiracy to create blasphemous names still exist in all but one Bible translation, which is a free English Bible translation called the Ekklesia Bible, a Bible dedicated to removing all false translated blasphemous names from the Bible records. Free download from the Web Site [www.ekklesiabible.com](http://www.ekklesiabible.com) This Ekklesia Bible is the only open for dispute translated Bible in the entire world. If know that there is something translated wrong in "doctrine" or "instructions from God" in this translated Ekklesia Bible, then make your dispute and the entire Ekklesia will deliberate your dispute and the entire Ekklesia will determine truth of your dispute.

For the First Three hundred years Christians called themselves by the name of "the Ekklesia of Christ" meaning this organization is impossible to be overcome and divided by the gates of hell (Mat 16:18). Note Carefully Christ said that his "Ekklesia of Christ" is designed so that it can not be overcome or divided by the Gates of Hell. We can easily see that all Churches can be overcome because all churches are divided. So we can easily see a "church" is nothing like the Ekklesia established by God.

Read the Ekklesia Bible translations that removes blasphemous names from the Bible records and learn the how the Council or Court of the Ekklesia of Christ is designed to completely and altogether overcome the Gates of hell and altogether stops all division.

Constantine Changed the name Ekklesia (In their Latin Bible “Ecclesiam” to the Blasphemous name of “Circe.” In the early fourth Century Rome, the name “Circe” was worshipped as a Goddess of sexual fertility, circles and round things. Over the Centuries the blasphemous name “Circe” has evolved to become the blasphemous name “Church.”

In the Late fourteenth century lollards (1385). Lollardy (Lollardry, Lollardism) was a pre-Protestant religious movement that existed from the mid-14th century to the English Reformation. It was initially led by John Wycliffe, a Roman Catholic theologian who was dismissed from the University of Oxford in 1381 for criticism of the Roman Catholic Church.

The Lollards a split off as reformation from the Catholic church but with the same blasphemous names they translated the first English Bible translation called the “Wycliffe Bible.” This “Wycliffe Bible” translation was not a translation from any Greek Manuscript but is a translation of blasphemous names from the Catholic Catechism and from a copy of the Catholic Latin Vulgate. Printed in 1385. They will falsely translate the most written name of the Christ “Y’ehsus” with the blasphemous name of “Jesus,” a copy of name made first by a Catholic Priest for the ancient Spain, and the

blasphemous names “Jesus” pronounces in the languages of the Italian (GEZ\_US).

The Catholic Catechism translation of the name “Ekklesia” as a “Church” is understood to be only a double round church building, an exact copy of the house of the goddess “Circe,” Constantine made the first double round church Building in the entire world for “pagan Christians.” This Circe or church building still exist to this day in old Constantinople (now called Istanbul Turkey).

The Wycliffe Bible translates the Greek name Ekklesia as “Chirche” which is pronounced in English in the fourteenth century as “Kir-key.” The Greek name “Kirke” is the same as the Latin “Circe” which is -not a “homonym name” as some wicked Bible teachers try to protect the blasphemous name of their “Church.” Here is how we prove the name Kirke or Circe is not a homonym name for the word church. The Catholic “Circe” or “church” will build Church buildings in a exact double round copy of the pagans with the same round apse of the goddess Circe. Thousands of double round church building are made with the apse is proof the blasphemous name “church” is a direct copy of the goddess of sexual fertility, circles and rounds things named Kir-key or the Latin Circe.

This Blasphemous name “Circe” or Church written into a new Bible of the Catholic Church they give the blasphemous name the Catholic Catechism. The

Catholic Catechism supersedes over anything written in the Bible because what is written into the Catholic Catechism is supposed to be given by the authority from their earth god the popes and from the blasphemous name of “The Ecumenical Council” a group who is believed to be giving the Saints a new gospel in a Catechism from popes or “earth gods.”

The Bible prophecy of John the revelator clearly gives warning, there is a “Great Whore” who is riding on a Beast and she has fed her beast full of blasphemous names that speak injuriously against God and blasphemous names deceive the Saints of God (Rev. 17:3b). Now if these blasphemous names made by the Great whore are not in translated into your Bibles, then there is no way blasphemous names can deceive the Saints. By necessary inference these blasphemous names must be mistranslated into your Bible records and become a part of their belief, - before the saints can be deceived by mistranslated Blasphemous names. To this day all the most popular translated Bibles in the entire world are riddled with blasphemous names invented by the mother of all churches the Catholic church.

The Same John the Revelator gives another warning to the Saints, you as a Saint of God must come out of the blasphemous names of this “Great Whore” or you will suffer the same judgment of the Great Whore “plagues” upon you from God (Rev 18:4).

In the early fourth Century a Roman Ruler names Constantine they call him the Great, and Constantine stopped allowing conduct and the function of the Council of the Ekklesia (The Latin Ecclesiam) of Christ and Started the first Church of Christ in the entire world. Constantine like all Roman rulers thought he was a pagan “earth god” (see Book John Holland Smith “Constantine the Great”). Because Constantine thought he was God he believed the God of the Bible gave him power to change the Bible.

Daniel give us warning of this pagan ruler in Dan 7:25. He will think he can change “the laws of God” and “The Set times” of God to worship. The Saints that are deceived by this wicked ruler God will give them over to the hand of their deceiver (Constantine). Paul gives us warning of “Constantine” and his religion that deceives the Saints of God in 2Thess 2:1-12.

If you are a pagan emperor and you have a pagan religion and you hate what the Bible is teaching the people that you have rule over. In for the first three hundred years Everywhere Atheist and Pagans are persecuting and killing Christians of the Bible. in the earth fourth century, a pagan ruler “Constantine” wanted the authority to rule over the people as an earth god, then Constantine must first conspire and be very clever and change translated Bible names to blasphemous names in order to deceive the People of the Bible. To get the people of the Bible to be you friend, the first thing you do as the ruler over the people you stop atheist and pagans from persecuting and

killing Christians. You have not changed your pagan religion you want your Christian subjects to become pagan like you so you begin to change Bible names to blasphemous names that speak injuriously against God and deceives the Saints of God into accepting the pagan religion of Constantine and his Church.

So what name do you subject yourself to The Ekklesia of God or to a church that is the mother of all churches in the entire world “The Great Whore” The Catholic church.
