

The Conspiracy To Change The Bible Name "Ekklesia" To A "Church"

Constantine 325 CE

Editor Will Wade

Constantine was the Roman Emperor from 306-337 AD. Note very carefully this fact. When Constantine who started the Catholic church called his first council of the Church, he did not give the name of the council the Latin name "The Ecclediam" or the Greek Ekklesia, but he gave his "circe" or church name to the council as "Nicea."

Again note the edict of empeor Theodosius that folowed Pope Damasus, he demans a "Circe or a "church" of the Catholics and not the Latin Ecclesiam of Christ.. Theodosus wrotne in his edict. THEODOSIUS AUGUSTI. EDICT TO THE PEOPLE OF CONSTANTINOPE. "Search all the people which the clemency of our rules, the temperament, and in such a we want to with religion, than his divine Apostle Peter, to have delivered to the Romans the ordinance of the up to now by him, which is insinuated, declares that the Pontiff Damasus and by Peter Aleksandriae a bishop, a man of apostolic holiness, that is to say, that, according to the apostolic rule, evangelicamque the doctrine of the one deity of the father and of the son and of the holy Ghost, we believe that under the parity of the glory of the Trinity and under the pious. To embrace the name of Catholic Christians; we command be followers of this law, to support the rest of the infamy of heretical teaching, however, to assume the judging, "nor is their conventicles the name of churches to receive ', the first of the divine Vengeance is mine, and after that the movement of the our God, whom from the celestial of the arbiter, may be filled ignominious name of heretics

The warning Theodosius give to Christian who did not agree with the new teaching of the Cartholi church they claim be from the Bible, you will be punished.

We authorize the followers of this law to assume the title of Catholic Christians; but as for the others, since, in our judgment they are foolish madmen, we decree that they shall be branded with the ignominious name of heretics, and shall not presume to give to their conventicles the name of churches. They will suffer in the first place the chastisement of the divine condemnation and in the second the punishment of our authority which in accordance with the will of Heaven we shall decide to inflict.

Be honest and Look around you at the massive immorality in the entire world and see the total failure of Churches.

We are warned by God through his prophet to reject all popular Bibles that are riddled full of blasphemous names are made by by the “Great Whore” to deceive the Saints (Rev 17:3b). The false Bible translation made by the devil with the blasphemous name “Church” has deceived millions of the Saints of God and has divided the Saints of God into thousands of totally different or opposing church sects. Churches make the false claim in their Bible translations that are made with blasphemous words and false names that there is nothing wrong tp add blasphemous names to the bible records and they teach you can be saved by translated lies.The devil actually teach you can be saved by translated lies. Tehy actully teach if your are deceived , as a Saint you nee not to to worry, The false Bible translations that has robbed millions of the Saints did -not actually rob the Saints of their

eternal life with our creator and heavenly father. In their false Bible translation, churches teach false that you can be deceived and in your deception you will not loose eternal life with God because deception, and wicked unrepented workrks will not make self unsaved.

We warn you to take heed to this warning, Col 2:8 ***Take heed lest there shall be any one that makes spoil of you through his philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.***

Christ declares when he Edifies in warfare in the disputes over instructions making the claim to be from God, the Gates of hell can not divide or overcome his Ekklesia (See the free Ekklesia Bible translation Mat 16:18 www.ekklesiabible.com).

There is a world of difference between unifying militant warfare of the Ekklesia of Christ that will totally and all together unite the Saints of God when compared to all churches that are passive and are divided by the gates of hell.

In warfare in the disputes over who is giving true instructions from God (doctrine) all churches are overcome and all churches are divvied in doctrine (instructions from God) by the gates of hell and churches are designed by man only to divide the Saints of God.

God did not establish anything like any passive sit down “Church.” The purpose of the Council or the Court of the Ekklesia of Christ is designed as a warfare made by our heavenly Father as His trust in the majority of His Ekklesia, to make the best decisions over the minority.

There is the world of difference in the warfare designed in the war-like conduct of the Ekklesia of God when comparing to the passive conduct of all Churches.

The entire Ekklesia (Called Out) is appointed by God to make decisions for true source of instructions (Doctrine) from God for our eternal life. In public deliberation in any dispute before all the entire Ekklesia, Our heavenly Father does not trust only one man, a Pope, or a minority of men to determine truth in eternal life giving decisions. God only trust his entire Ekklesia through conduct of deliberation, to giving the true source of instruction (doctrine or Latin “dogma”) from God. All Churches reject deliberation before the entire assembly over any dispute in what God has established to keep His Saints united as one.

When there is a dispute over the true source of the instructions both are making the claim they have opposing instructions from God, but this dispute is so important that if the dispute over doctrine is not settled it will divide the Saints.

Our heavenly Father only trust the entire “The Calling Out” as the jury in a Court trial (or the Ekklesia council) to settle any and all disputes without dividing over instructions making the claim to be from God. God has designed His Ekklesia purposely to determine true source of doctrine or What the true instruction from God are.

To totally stop division the Saints have made covenant with our heavenly Father, they will accept the decisions made by the majority in disputes over doctrine and the Saints will totally and altogether stop division over

doctrine or the instructions making the claim to be from God.

The Best Example of unity through the conduct of Ekklesia, is found in the fifteenth chapter of Acts. The record is showing us how the entire Ekklesia is designed by our Heavenly Father to totally and completely stop all division over doctrine through the conduct of the deliberation of the entire Ekklesia. Up front, The Entire Ekklesia must be taught to hold the agape love for togetherness which is to rule in our hearts and over any wanting to divide from the decisions made by the majority. Those who after any dispute and after polemic debate and after the vote for the source of true instructions from God, then any who can not agree to what the majority has decided as true instructions from God and any who want to divide from the decisions of the majority of the Ekklesia must be marked as heretics and withdrawn from until they repent of their selfish decision to divide from the Ekklesia of God (Mat 18:17; 2Thess 3:6; 1Tim 6:5; 2John 1:10).

This is God's plan to stop division of His saint through the conduct of His established Ekklesia.

Our God in the Old Testament Established the Hebrew name "Qhal" or in conduct the Hebrew name "Qhal" is in conduct the equivalent of the Greek name "Ekklesia." The conduct of Ekklesia was established by God to stop all division over instructions making the claim to be from God, for all the most ancient Saints of the Israelites and for all the Saints under the new Covenant or Testament.

Note very carefully this truth, two hundred and fifty years before the coming of the Christ, the ancient Jews translated The Hebrew name "Qhal" into their Ancient Greek Septuagint as the name Ekklesia. The Greek Old Testament The Septuagint the Name "Ekklesia" is understood to be the established council of that stops division over doctrine or instructions from God. What ever you do, do not forget this fact, God has established the name equivalent of the court of the "Ekklesia" to keep his Saints united, before he laid the foundations of the earth. The Ekklesia of God was established before the earth to keep "the called out" or the Ekklesia of God united as one.

The division of the majority of the Israelites, hundreds of years before the coming of the Christ, stopped the conduct of "Qhal" or the Israelites stopped the established "Ekklesia."

There is a debate over when the oral or the unwritten laws of different sects of Israelites were established. Some teach the falling away of the Israelites and the new oral law of the Jews were established during the time of the book of the Judges. Some teach the oral or the unwritten law was established during the book of Samuel under the school of Hillel. Other historians and Bible scholars teach it was only some three hundred and fifty years before the coming of the Christ. Bible history shows, the Israelite begin to divide in the book of the Judges, When the Israelites stopped Conduct of Ekklesia is beside the point there was division and it is

impossible to have division when the saints of God in any dispute over doctrine (instructions from God) yield selves in their promise (Covenant or Testament) with God not to divide but stay united through the conduct of the court of the Ekklesia.

The unwritten laws of different sects of the Israelites was cause only because they stopped the conduct of the council of Ekklesia.

Here is the first record of God establishing the court of the council of “Qhal” or “Ekklesia” is this conduct of Ekklesia is a false Ekklesia is found written in the Book of Genesis. See Ekklesia Bible translation 49:6 ***O my soul, come not you into their council; Unto their Ekklesia, my glory, you be not united; For in their anger they slew a man, And in their self-will they hocked an ox. {49:7} A cursed be their anger, for it was fierce; And their wrath, for it was cruel: I will divide them in Jacob, And scatter them in Israel.***

Take note the council is the Ekklesia, The established purpose of the establish Council of Ekklesia is to unite the Saints of God and to keep united the children of Israel. To conduct self without the entire congregation in “council” against God is to cause a false council of Ekklesia.

Without the entire counsel deliberating their disputes over doctrine or instructions from God together and if the all the Ekklesia do not altogether make decisions through Ekklesia of what are the true instructions from God are, will to cause all Israel to become - divided.

There were many sects of the Jews started only because the refused to hold Ekklesia on disputed doctrine (instruction making the claim to be from God. The Pharisee Jews started a different unwritten or oral law they call the “Halakhah” (“The Walk”).

Note very carefully the oral unwritten law the Halakhah (The Walk) and all other “Oral Laws” of the Israelites was Unwritten laws that completely superseded and was against the written law of God through Moses. Again don’t overlook this fact that all “oral” or unwritten laws were made to supersede over the written Law of God through Moses. Under the unwritten or oral law of the Halakhah, You could not be saved by keeping the written law of God through Moses. In the unwritten law of the Halakhah, similar to the Catholic Catechism or the book of Mormon, the new law from man supersedes over all of what is written and is breathed from God through Moses.

Even their unwritten oral laws of the Jews were divided into sects similar to today’s churches are divided only because they reject the established “Ekklesia” that through the conduct of Ekklesia would cause them to restore truth and become united. The most ancient Jews and Israelites refuse to hold Qhal or Ekklesia to stop their division. Then in their division God dispersed the entire Israelites only because they became divided and refuse to allow Ekklesia and to hold polemic debate and to come together and hold Qhal or Ekklesia and stop teaching lies that caused division of the Israelites.

All Bible questions to make dispute about the instructions from God, are designed by our God to be settled only through the function of the court of the entire Ekklesia. The function of Ekklesia of Christ is nothing like the passive conduct of any church.

We The Ekklesia of Christ challenge every church in the entire world to prove that the God of the Bible established the function of any that are calling self a “church.” Our only purpose is to restore to the Saints of the Established Ekklesia that God has designed to unite every Saint of God in the entire world and to cause the entire world of the Saints of God to become one mind in doctrine or instructions making the claim to be “the instructions from God.”

Any Pope, preacher, priest or Bible teacher who makes the claim to be giving true instructions from God to the true Ekklesia and when anyone disputes what is being taught, To prove to be the true established Ekklesia of Christ, they must be willing to stand before their entire congregation and be willing to open to deliberate on any dispute over their teaching doctrine and be willing to deliberate before the entire congregation on any -dispute over what the source of “doctrine” or “Dogma” (Instructions they are making the claim to be from God). This is the plan established by our God to stop division of the Saints of God in the everlasting kingdom of our God

After any dispute through conduct of the court of Ekklesia in deliberation through controlled or polemic debate, The entire Ekklesia must be allowed to make the final decision who is teaching truth or who is teaching true instructions from God.

If teach the are giving true instructions from God (Doctrine) and if any Bible teacher any refuse to open before their entire assembly and to stand before their congregating to defend what they are teaching as instructions (Doctrine) making the claim to be from God and allow their entire assembly decide who is teaching truth and who is teaching lies.

they who refuse to take a stand and to conduct Ekklesia over disputed doctrine then they stand in default of teaching false doctrine and are to be labeled as heretics and withdrawn from and cast out of the assembly until they repent from their false teaching. any who refuse to take a stand before the entire congregations and defend what they teach that is making the claim to be instructions from God (doctrine) the Entire Ekklesia must decide against what they are teaching is to be false and altogether reject their teaching and reject that person as a false teacher. This is the established conduct of the court of the Ekklesia.

The first to stop “Ekklesia” and start the first “church in the entire world was in the early fourth century by the emperor Constantine.

Constantine stopped the conduct of the council of Latin Ecclesiam (or the Ekklesia) and started the first blasphemous name called "Circe" and that blasphemous name "Circe" has evolved over the Centuries today to be called a "church." to fool the members of the Catholic church, Constantine started the Ecumenical council to be under the god of earth the pope to make decision of what dogma (doctrine) or the new instructions are coming only from the earth god the pope. The Catholic church is correct when she makes the claim to be the first church ever to exist on planet earth. The Catholic church is telling us the truth when she is teaching that she is the mother of all who call themselves a Church.

What the catholic church is not teaching truth is when the Catholic church was started and who actually started the Catholic church. We as the Ekklesia of Christ have challenged in dispute who started the Catholic church who was the man Constantine who started the Catholic church and is was Constantine started all other churches in the entire world. We challenged the Catholic church and all other churches to conduct self as true council of the Ekklesia and the Catholic refused and the Catholic church dare not stand before their entire congregation and deliberate this subject before their entire assembly. The day the Catholic church allows Ekklesia and deliberation of the dispute in when they church was started and who started their Church, that is the day of the end of the false teaching of the Catholic church. The same challenge is made to any and all churches.

Then the entire Ekklesia must vote to decide who is understood to be teaching truth and who is teaching lies. This is God's plan that will altogether stop the dividing of the Saints into thousands of passive Church sects.

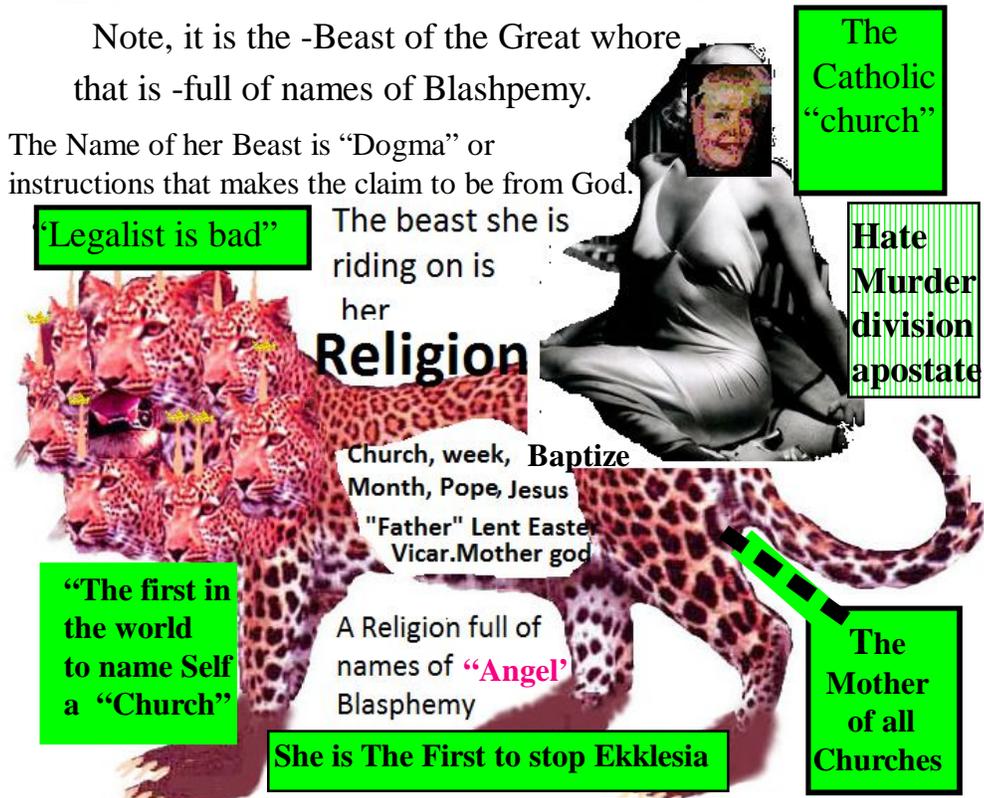

Look Closely, these church leaders who hate the true conduct of Ekklesia established by our God. They do not want their false teaching as Doctrine (instruction they are making the claim to be from God) to be revealed before their entire congregations and then after deliberation allow the entire congregations to make the

decision if they are teaching truth or lies. Not one of these false teachers will open their assemblies to settle any dispute over false instructions from God in the established conduct of the court of the Ekklesia of Christ so we all can unite in one doctrine in Christ.

Riding The Beast or a Religion That Is Full of Names of Blasphemy
 What the Saints of God overlook is this warning that there is a Great Whore who is riding on a beast and the beast is fed -full of names of Blasphemy (Rev. 17:3b). Note the -beast is the religion of the Great whore. John gives warning, In her religion, the belly of her beast she feeds full of names of blasphemy that deceives the Saints. We can not kill the beast or the Religion of the Great Whore until we recognize what the “blasphemous names” in her Religion is and reject her blasphemous names she has mistranslated into all Bibles. Blasphemous names that are made by the great whore and mistranslated into our most popular Bibles. The name “church” is a blasphemous name. The name “Baptize” is a none descript blasphemous name. The name “week” and the name “Month” are Blasphemous names that deceive would be Saints. Revelation 17-18

Note, it is the -Beast of the Great whore that is -full of names of Blashpemy.

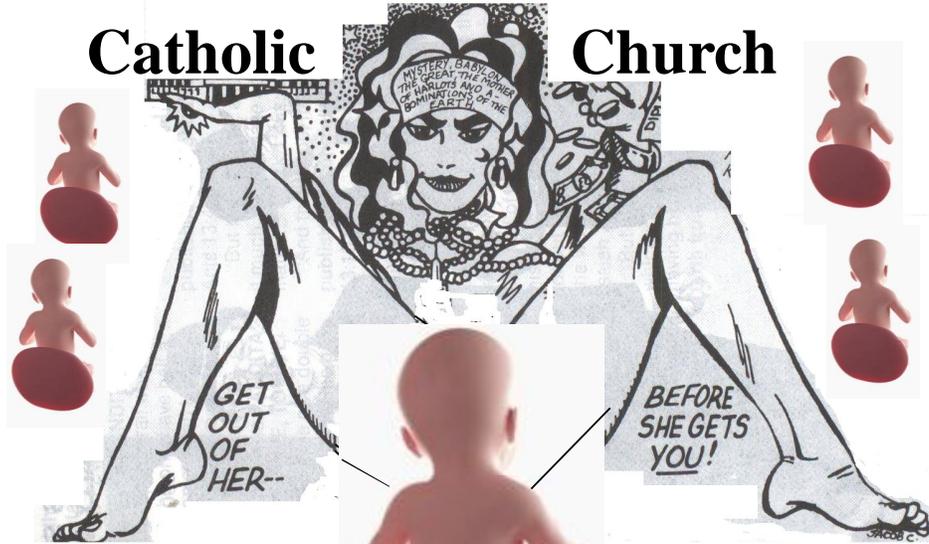

The Name of her Beast is “Dogma” or instructions that makes the claim to be from God.

Rev 18:4 My People, Come forth out of her, that you have no fellowship with her sins, and that you receive not of her plagues:

The Mother of All Churches

The Conspiracy To Change The Bible Name “Ekklesia” To A blasphemous Name “Church”

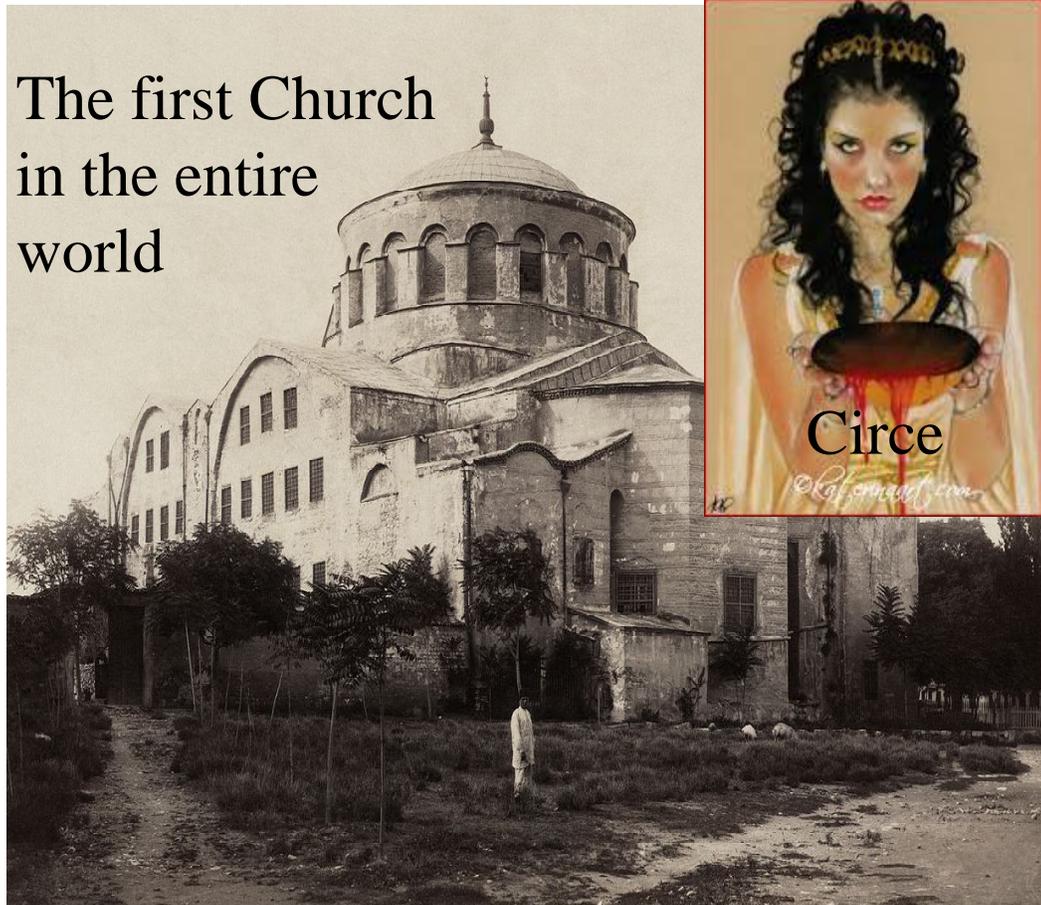

One Brother wrote “God never give a name to the Church.” Wrong, Yes God looked ahead gives us warning and through His apostle John the revelator, which warning describes in his prophecy of the coming name “Church” is a name of blasphemy. God through the Apostle John gives us warning, that false name “church” is “a name of blasphemy” and God gives the name definition of “Church” that was first created by the man who created “the first Church” and that mans name is
“Constantine.”

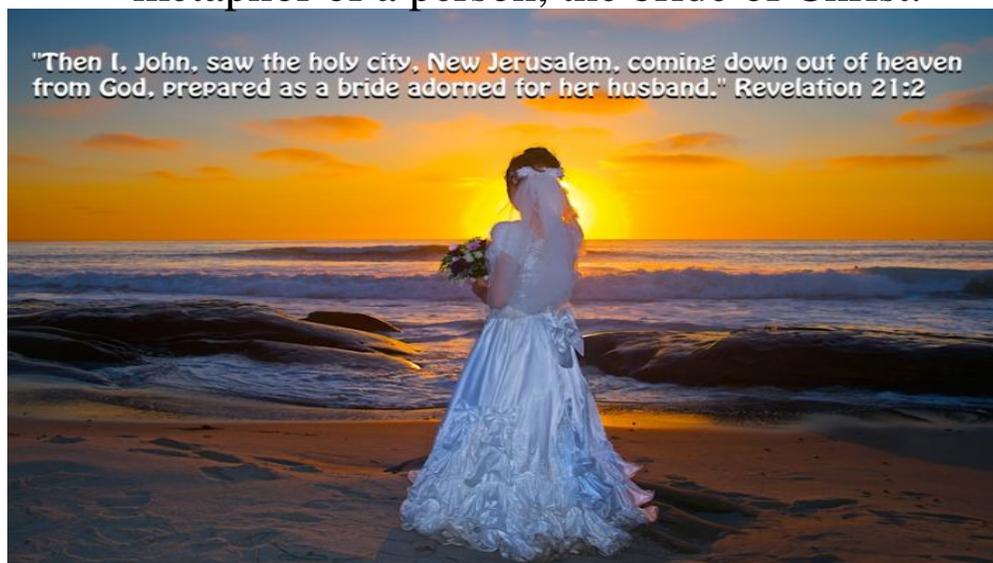

God gives us warning,
There is a Great whore
riding on a Beast and the
beast that the Great whore is
riding on is her religion. She
has fed her beast or her
religion full of names of
blasphemy. Just one of the
names the great whore has
fed into her beast or in her
religion is the blasphemous
name “church.” She has “fed
in the belly of her beast” or
she has fed into her religion

of “The religion of the Great Whore .“ The blasphemous
name “church.”

AD 2017, one thousand six hundred and ninety two years ago, Below is the first “Circe” or a Church building made by Constantine for Christian to be wed to the religions of the pagans. If we do not become concerned for truth and for our eternal life, we will lose what we hope for. Become concerned and look at the first Church below located to this day in the Old City of Constantinople (modern Istanbul Turkey). A Latin “Circe” or a Church of this century was only a double round Building made with the round apse for the statue made for Idol worship . (See our many articles who started your Church? www.ekklesiabible.com)

Reason this truth The Ekklesia of Christ is the metaphor of a person, the bride of Christ.

The Catholics and others Churches Translates their "Churches are the object of an "It" "Gates of hell will not prevail against "It." (Mat 16:18) A church building.

In the Beginning of the Catholic Roman Ecclesiam not one person identified self as a "church" because **in the early fourth century the precursor to the word "church"** The Greek word "Circe" was only the name of a holy, joined semi double round building made for circle worship made to the sexual nymphomaniac goddess named "Circe." The modern name church is a derivative from the most ancient Greek word "Circe" or Kir-key and is evolved to be the modern word for "church" In Greek mythology, Circe is adapted from the Greek $\nu\alpha\mu\epsilon\ \kappa\iota\rho\kappa\epsilon$ Kírke- pronounced [kír-key]) is a minor fertility goddess of magic and mother of all round things (or in some world history in different societies the goddess "Circe" is worshipped as a sexual nymphomaniac, witch, enchantress or sorceress).(see Wickapedia)

We warn you, The most popular translated Bibles are riddled full of these blasphemous names that speak injuriously against God and names that deceive the Saints of God. You dont' reason that is possible IN THE TWENTYFIRST CENTURY, or accept true Bible prophecy that gives us true warning the Saints of God will be deceived by blasphemous names of the Great whore. The Great whore Srtill Exists. All who are in a church are a part of the religion of the Great whore and all in churches are her prostitute church daughters and all who copy the name Church are "the little whores" coming from their mother the first church ever to exist on planet earth which is "The Catholic Church."

God only created his Ekklesia as the tool of warfare against the gates of hell, to scompletely stop division of his Saints. God Did not Start anything in the passive conduct of any Church.

The truth is, Our God did not start any Church of any kind. A church is a man by the name of Constantine when he stopped allowing The Roman Christians "Ekklesia" The Latin "Ecclesiam" and it was this wicked ruler Constantine who Started the first church ever to exist on planet earth. The Catholic church was started as first church and the Catholic church is the mother of all Churches in the entire world.

We warn you if you are in any Church, you need to make this Bible study but only from the ancient languages of the Bible. We challenge you, You will not find anything written just once in the entire ancient manuscripts of the

Bible with the word definitions of any kind of any blasphemous name of any “Church.”

In the entire Bible, God did not establish anything outside the name Ekklesia that the organization established by God that is in a hot spiritual warfare with the gates of hell and the gates of hell can not be divided or can not be overcome. The Ekklesia of God is designed so that the Gate of hell can not divide the Ekklesia established by God. Those who are deceived into the blasphemous names of a passive “Church” or outside the Ekklesia of Christ. All churches are passive in warfare and all churches are overcome because all churches are divided and not one church is undivided or not one church has not been overcome by the gates of hell (Mat 16:18).

If, You who are a Saint in the everlasting kingdom of God, you have been warned there is a “Great Whore” and she has created blasphemous names in her religion to speak injuriously against God and to deceive the Saints of God with the blasphemous name “Church” which is just one of her blasphemous names. (Rev.17:3b)

There does exist a “Great Whore” who has created blasphemous names for her religion to speak injuriously against the God of the Bible and to deceive the Saints of God in the everlasting kingdom of God. Where is your reasoning, If the Catholic church chooses Hell and to become a Heretic, so why would anyone who loves truth, choose to follow the Catholic Church with her

blasphemous names such as the name “Church” that leads only into perdition.

Martin Luther was a rogue catholic Priest that created a new bible translation with blasphemous names that twist and pummel the Bible records to deceive the Saints of God.

All Bible translations copy the blasphemous names of the Catholic Priest Martin Luther. If Martin Luther who was a rogue Catholic Priest who chooses to become the offspring daughter of the Catholic church, Luther and the people who follow Luther, create even more blasphemous names to his “church” such as “The Lutheran Church” and also becomes another heretic and twist and change her Bible records and they teach blasphemy, that your most wicked unrepented sins will not make self -unsaved. Luther by translating the new Catholic Bible translations with blasphemous from the Catholic church blasphemous names but Martin Luther by twisting the Bible translations to teach that that your most wicked unrepented “works” has nothing to do with your salvation.. Martin Luther started this false teaching the works or your most wicked unrepented sins will not make self unsaved. Then Martin Luther translates the first Bible with blasphemous names to support his false teaching. All translated Bibles except the free Ekklesia Bible translation have these same blasphemous names translated into their Bible records. Why would you accept the false translated Bibles with blasphemous names first started by The Catholic Church and by Martin Luther and then choose to follow Martin Luther into hell.

What is dictionary definition of a “name”.

“a word or set of words by which a person, animal, place, or thing (organization) is known, addressed, or referred to.
“

Our debate with our brethren our God did not give his Ekklesia as a Name “Ekklesia” but gave the blasphemous name of a “church.” God gives us warning “Lack of understanding” or just plain ignorance destroys my people.

Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shall be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

So note, a name is a word that describes a person, a place and animal, or known thing, addresses, or referred to.” Why would anyone teach, because when there is only one of any person, place or thing what the person, place or thing, because there is only one when it is called, it is not a proper name. They teach “The moon is not a name of the planet we call with the word moon.” Not true the “moon” or “Luna” has more than one name. Then they teach “You call moon by a different name of “Moon” and no one will know what you are talking about. How about the name “Luna” to define a “Lunatic.” They teach because there is only one Ekklesia God then the word

Ekklesia is not a given name give to the organization by our God.

Our God is one, and He has a name that differs Him from other kinds of gods. Christ is one and Christ has the true most written name spelled and correctly pronounce “Y’ehsus.” If there is only one of a person or a thing whatever is called as a person or a thing is still the name or authority of that one person or one organization’s name. What can not be different in a name is the function or authority in the word or in name definition. This my dear brethren is the problem when Bible translators mistranslate the True Bible name Ekklesia which Ekklesia is an organization established by God before he laid the foundations of the earth. This Ekklesia is designed by our God to function in hot spiritual warfare that is to be made by the Saints of God against the Gates that deceive the Saints of God and lead the spirits of the Saints into Hell. When the purpose or warfare function the name Ekklesia is compared to the blasphemous name of a passive sit down “church” anyone of reason can see The Ekklesia of God is -not the same as any Church.

Note very carefully, outside the Greek language or in the English language and all other languages in the entire world, there is no name equivalent for the Bible name Ekklesia. To translate correctly, the Name Ekklesia must be Transliterated into the English like the Romans Christians did in the first Century. For the first three hundred years the Roman Christians were named to be in the “Ecclesiam.” To this day the Roman Latin vulgate Bible is not translated as a “church” but is still correctly

translated as the name “Ecclesiam.” The Catholic Church no longer allows before their entire Ekklesia, the hot militant warfare of public debate in militant Conduct of the council of the Ecclesiam to determine instructions (Doctrine or the Latin “Dogma”), they only allow conduct of a passive church. In the Catholic church and he church daughters, all instructions from God is not determined from the ancient languages of the written Bible through public before their entire congregation and the entire congregation of the Catholic Ecclesiam is not allowed to voice their vote to determine for self who is teaching truth “from my God for my eternal life.”

Outside the Greek, No one can correctly translate the Bible name Ekklesia into their different languages by using a different name such as the blasphemous name of a “church.” To correctly translate this name Ekklesia into other languages you must do precisely as did the first Century Romans. The first century Roman Christians transliterated the Greek name Ekklesia into the Roman Latin as the name Ecclesiam. For the first three hundred years Roman Christian were named Ecclesiam. Note Carefully it was in the early fourth century Constantine stopped the purpose, the conduct or the Council of Ecclesiam and started the first blasphemous name of “church” for his organization. God gives us warning through “John The Revelator” this organization started by Constantine he gives the name of a goddess of sexual fertility, circles and round things named “Circe” and that name “Circe” evolves and is falsely translated into our English Bible as the blasphemous name of a Church.

The problem of our brethren is they can not see the blasphemous names “Church” is not a true Bible translations because in Christ word definition for his Ekklesia is a function of spiritual warfare that is nothing like any church in the entire world. Churches and their blasphemous names they translate into their Bible records does not make any good common sense to become a part of these false teaching that you have been warned the Great Whore and her church daughters will deceive and rob the Saints of eternal life. God gives warning to Come out of all churches and restore Ekklesia in your worship.

Come out of the Great Whore or you will be judged to inherit her plagues (see Greek Strong’s Greek word number 4127 πληγη plege play-gay “ 8“-“: God did not start any Church, Every “Church” in the entire world is a part of the Catholic church.

Rev 18:3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

5 For her sins have reached unto heaven, and God hath remembered her iniquities.

6 Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled full to her double.

There is a conspiracy by a Roman Ruler who has created “The Great Whore” and the conspiracy to change Bible Names to false names that blaspheme God and deceive the Saints of God. This conspiracy to create blasphemous names still exist in all but one Bible translation, which is a free English Bible translation called the Ekklesia Bible, a Bible dedicated to removing all false translated blasphemous names from the Bible records. Free download from the Web Site www.ekklesiabible.com This Ekklesia Bible is the only open for dispute translated Bible in the entire world. If know that there is something translated wrong in “doctrine” or “instructions from God” in this translated Ekklesia Bible, then make your dispute and the entire Ekklesia will deliberate your dispute and the entire Ekklesia will determine truth of your dispute.

For the First Three hundred years Christians called themselves by the name of “the Ekklesia of Christ” meaning this organization is impossible to be overcome and divided by the gates of hell (Mat 16:18). Note Carefully Christ said that his “Ekklesia of Christ” is designed so that it can not be overcome or divided by the Gates of Hell. We can easily see that all Churches can be overcome because all churches are divided. So we can easily see a “church” is nothing like the Ekklesia established by God.

Read the Ekklesia Bible translations that removes blasphemous names from the Bible records and learn the how the Council or Court of the Ekklesia of Christ is designed to completely and altogether overcome the Gates of hell and altogether stops all division.

Constantine Changed the name Ekklesia (In their Latin Bible “Ecclesiam” to the Blasphemous name of “Circe.” In the early fourth Century Rome, the name “Circe” was worshipped as a Goddess of sexual fertility, circles and round things. Over the Centuries the blasphemous name “Circe” has evolved to become the blasphemous name “Church.”

In the Late fourteenth century lollards (1385). Lollardy (Lollardry, Lollardism) was a pre-Protestant religious movement that existed from the mid-14th century to the English Reformation. It was initially led by John Wycliffe, a Roman Catholic theologian who was dismissed from the University of Oxford in 1381 for criticism of the Roman Catholic Church.

The Lollards a split off as reformation from the Catholic church but with the same blasphemous names they translated the first English Bible translation called the “Wycliffe Bible.” This “Wycliffe Bible” translation was not a translation from any Greek Manuscript but is a translation of blasphemous names from the Catholic Catechism and from a copy of the Catholic Latin Vulgate. Printed in 1385. They will falsely translate the most written name of the Christ “Y’ehsus” with the blasphemous name of “Jesus,” a copy of name made first by a Catholic Priest for the ancient Spain, and the blasphemous names “Jesus” pronounces in the languages of the Italian (GEZ_US).

The Catholic Catechism translation of the name “Ekklesia” as a “Church” is understood to be only a

double round church building, an exact copy of the house of the goddess “Circe,” Constantine made the first double round church Building in the entire world for “pagan Christians.” This Circe or church building still exist to this day in old Constantinople (now called Istanbul Turkey).

The Wycliffe Bible translates the Greek name Ekklesia as “Chirche” which is pronounced in English in the fourteenth century as “Kir-key.” The Greek name “Kirke” is the same as the Latin “Circe” which is -not a “”homonym name” as some wicked Bible teachers try to protect the blasphemous name of their “Church.” Here is how we prove the name Kirke or Circe is not a homonym name for the word church. The Catholic “Circe” or “church” will build Church buildings in a exact double round copy of the pagans with the same round apse of the goddess Circe. Thousands of double round church building are made with the apse is proof the blasphemous name “church” is a direct copy of the goddess of sexual fertility, circles and rounds things named Kir-key or the Latin Circe.

This Blasphemous name “Circe” or Church written into a new Bible of the Catholic Church they give the blasphemous name the Catholic Catechism. The Catholic Catechism supersedes over anything written in the Bible because what is written into the Catholic Catechism is supposed to be given by the authority from their earth god the popes and from the blasphemous name of “The

Ecumenical Council” a group who is believed to be giving the Saints a new gospel in a Catechism from popes or “earth gods.”

The Bible prophecy of John the revelator clearly gives warning, there is a “Great Whore” who is riding on a Beast and she has fed her beast full of blasphemous names that speak injuriously against God and blasphemous names deceive the Saints of God (Rev. 17:3b). Now if these blasphemous names made by the Great whore are not in translated into your Bibles, then there is no way blasphemous names can deceive the Saints. By necessary inference these blasphemous names must be mistranslated into your Bible records and become a part of their belief, - before the saints can be deceived by mistranslated Blasphemous names. To this day all the most popular translated Bibles in the entire world are riddled with blasphemous names invented by the mother of all churches the Catholic church.

The Same John the Revelator gives another warning to the Saints, you as a Saint of God must come out of the blasphemous names of this “Great Whore” or you will suffer the same judgment of the Great Whore “plagues” upon you from God (Rev 18:4).

In the early fourth Century a Roman Ruler names Constantine they call him the Great, and Constantine stopped allowing conduct and the function of the Council of the Ekklesia (The Latin Ecclesiam) of Christ and Started the first Church of Christ in the entire world. Constantine like all Roman rulers thought he was a pagan “earth god” (see Book John Holland Smith “Constantine

the Great”). Because Constantine thought he was God he believed the God of the Bible gave him power to change the Bible.

Daniel give us warning of this pagan ruler in Dan 7:25. He will think he can change “the laws of God” and “The Set times” of God to worship. The Saints that are deceived by this wicked ruler God will give them over to the hand of their deceiver (Constantine).

Paul gives us warning of “Constantine” and his religion that deceives the Saints of God in 2Thess 2:1-12.

If you are a pagan emperor and you have a pagan religion and you hate what the Bible is teaching the people that you have rule over. In for the first three hundred years Everywhere Atheist and Pagans are persecuting and killing Christians of the Bible. in the earth fourth century, a pagan ruler “Constantine” wanted the authority to rule over the people as an earth god, then Constantine must first conspire and be very clever and change translated Bible names to blasphemous names in order to deceive the People of the Bible. To get the people of the Bible to be you friend, the first thing you do as the ruler over the people you stop atheist and pagans from persecuting and killing Christians. You have not changed your pagan religion you want your Christian subjects to become pagan like you so you begin to change Bible names to blasphemous names that speak injuriously against God and deceives the Saints of God into accepting the pagan religion of Constantine and his Church.

So what name do you subject yourself to The Ekklesia of God or to a church that is the mother of all churches in the entire world “The Great Whore” The Catholic church.
