## Infinite Warfare For Eternal Life

**Demand open warfare (Polemic debate) before the entire Ekklesia on any dispute about Doctrine (instructions from God)**

Are you a professing Christian. We are warning you, the greatest war of all time has already started, in the twenty-first century. Seventeen hundred years the world has been forced into deception and darkness. Dan 7:25, Clearly Time Has come to fulfill prophecy and restore “Laws of God” “Bible time” and the Set times of God to the true translated Bible records. Time has Come to Fulfill Prophecy For the greatest War of all Time. God is now Revealing Himself and revealing Who the god Satan is and blasphemous names in his false Bible translations. Every most popular Bible translation in the world, is filled, riddled full of blasphemous names that rob God and deceive the Saints of God. As a Christian you must decide to choose which side of this eternal warfare you want to fight. If you choose -not to fight, then you choose to join the side of the enemy of God.

**The prophecy of John the Revelator 17:3b the Great Whore (Church) Is Riding On The Beast or her Religion and in the Belly of her Beast Is fed Full of Names of Blasphemy. The excrement coming out of the belly of the beast will create more church whores or more church daughters.**

Note, it is the -Beast of the Great whore that is -full of names of Blasphemy.

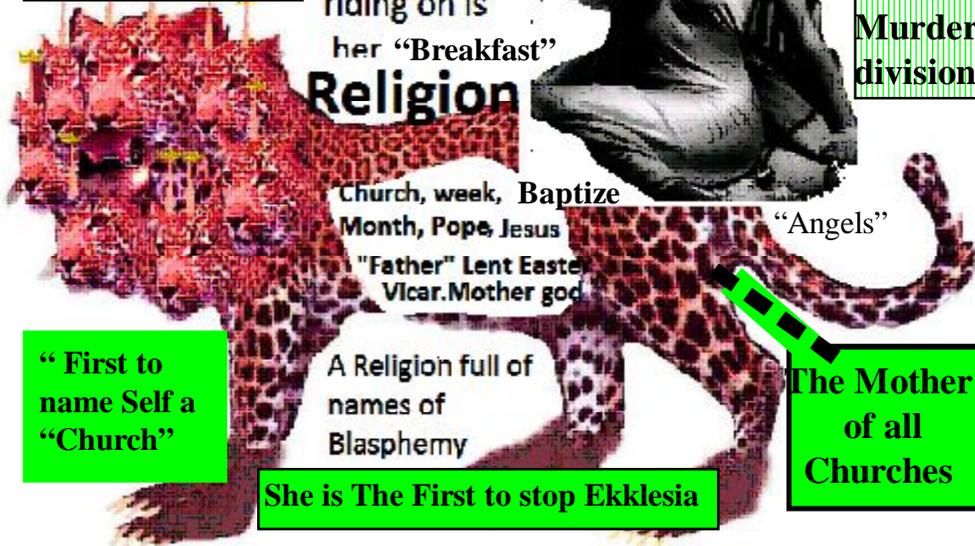

The Name of the Beast is "Dogma" or instructions that makes the claim to be from God.

Rev 18:4 My People, Come forth out of her, that you have no fellowship with her sins, and that you receive not of her plagues:

“You Protestants want too much to restore Ecclesiam” (Pope John Paul II)

Take very careful note, it is amazing, it is the truth loving Catholics who has started the restoration. It is not only the restoration of the Ekklesia of Christ but Ekklesia is giving you warning about Blasphemous translated Bible names. It is God through the apostle John the revelator who is giving you the warning about blasphemous names that speak injuriously against The God of the Bible and blasphemous names that are falsely translated into the Bible records that deceive the Saints of God. If blasphemous names are not mistranslated into the Bible records then why give the warning to the Saints of God who get their instructions only from the false Bible translations making the false claim to be from the ancient manuscripts of the Bible?

Today Blasphemous names of the Great whore the Catholic Church is beginning to be destroyed not only by the truth loving Catholics but also by the liberal (loose) Churches. Here is the facts. In fact, that’s the essence of Schillebeeckx’s existentialist view of theology. It is to give old doctrines new “forms” that are relevant to the modern world. Everything must be subject to the standard of the age: Catholic Doctrine (instructions making the claim to be from God) make laws for the evolution for the changing environment of Man and not from the ancient most trusted manuscripts of the Bible that are written -not for the changing environment but for the heart or for the seat of human emotions of all Men.

“We know from the whole history of theology,” Schillebeeckx writes for Catholics, “that it’s always dangerous simply to repeat a formulation of faith which was made in a different climate of thought in the past and

In Prophecy Catholics will Resotre Bible truth to their Ecclesiam that if we do so it's hardly possible to speak of a living affirmation of faith." (The Eucharist)

Solve et Coagula (Dissolve and Reconstruct) or More Idiomatically, Destroy to Re-Create

His work was deconstruction of Catholic dogma (instructions making the claim to be from God). Every Catholic doctrine must be re-evaluated or, if unsalvageable for a liberal mind, buried. As one bishop said to our own Brother Francis many years ago of "Extra Ecclesiam nulla salus," -Outside the Ekklesia there is no salvation. "Bury it! It's a dead horse." "because to be in any kind of any "Church" is to be on the out side of the Ekklesia of Christ."

"Pardon my repetition here, however, into the Dominican heretic's doctrinal graveyard went: The blasphemous name a sunrise "break your fast" "Eucharist" is blasphemous names that was established only by the popes of the Catholic church.

- 1) The physical Resurrection of Our Lord.
- 2) Historical sense of scripture; he did stop short of denying what he called "inspiration."
- 3) The Real Physical Presence of Christ in the Eucharist.
- 4) Necessity of apostolic succession for the priesthood as well as a male only priesthood. And, as you might expect, an end to mandatory celibacy.
- 5) Papal infallibility.
- 6) Church hierarchy; he adamantly campaigned for a democratic system of head of Church rule as his "Pope government," which would include lay participation, legislatively and juridically. This was a major theme in his book, "The Church With a Human Face."

The ecumenical council of the Catholic church is not anything like what God has established as his Ekklesia the Latin "Ecclesiam of Christ." The first order that Constantine Stopped when he created the First blasphemous name "church" was to stop the conduct of the Ecclesiam (the court or council of the Ekklesia). He established conduct of the Vertical Ecumenical council which is more like the Cult of the Greeks "Apella" of Troy where the wealthy rulers controlled the lives of the people who have no voice or control over their lives for their welfare and no control or choice of their future eternal life. To be a part of the Ecclesiam of Christ is just the opposite of the Vatican's ecumenical council that alone allows only the Pope to determine doctrine or instruction making the claim to be from God. The entire body of professing Christian (Saints) there is no recourse in any dispute about the authority or of the doctrine (instructions) promoted by the Vatican and the Ecumenical Council as instruction making the claim to be from God but only through the Pope and not by the Chosen Jews who Christ said salvation comes only through the Jews plural (John 4:22) and the "law of Faith" (Rom 3: 27) is written just once for all eternity (Jude 2-3). Only the Jews chosen by Christ are allowed to write the Oracles of God or the instructions (doctrine) from God of the Bible (Rom 3:1-3) .

The meetings of the cult of the "Apella" in ancient Troy should take place from time to time, and the citizens should have the power to debate and make the decisions for their welfare. This rights of the citizens was very soon diminished and limited and then in some cases completely removed. The kings The opompus and Polydorus, probably during the 7th

century BC, added to the “rhethra” that the kings the rich and the most influential or powerful, and the elders (gerousia) could set aside any decision of the people considered to be “crooked” to keep their control over the people and with the only purpose enslave the people so the rulers could live their lives in wealth, lavish pomp and ceremony.

## **A religion and Bibles translated Full of names of blasphemy (Rev 17:3b)**

Beware of Blasphemous mistranslated Bible Names are Made Only To Deceive the Saints of God.

The King James Bible is part Catholic and is translated full of Blasphemous names borrowed from the Catholic Church. Did you know the names “Baptize, “Baptizing,” “Baptist” is blasphemous transliterated names because there exist the English equivalent of these Greek names in the English Language. The why transliterate but to try and deceive the masses of the Catholic Church to stop them from being immersed in water unto the remission of their sins (See Ekklesia Bible translations Acts 2:38. .. The name “church,” “Week” or “Month” are blasphemous names made with the only purpose to deceive the Saints of God in the everlasting kingdom of God. We warn you, if these Bible names deceive youm you will Loose all.

The blasphemous name “Baptize” was first started by the Catholic Church. In the late fourth century Pope Damasus of the Catholic church contracted with Jerome to translate the Greek Vatican Codex into the Latin Vulgate for the Catholic Church, It was near the end of the fourth century CE...

Catholic Church History in “The Post Nicene Fathers” is teaching, When Jerome translated truth in the Greek name “baptizo” he translated the Latin word as the Latin” immerse” which is the same word meaning to “immerse” in the English. Pope Damasus rejected this true translation of the Greek “Baptizo” as immerse and Pope Damasus demands that Jerome retranslate the Greek word “Baptizo” as meaning to “sprinkle” instead. The reason Pope Damasus gave was, at that time no one was being Immersed in water. Jerome beg the Pope to allow him to transliterate the new Greek name “Baptizo” as “baptizure” in the Latin Vulgate. “Baptize” is not a true Bible translation but is a true Bible “transliteration.” To transliterate the Greek word “Baptizo” as “baptize” is deceitful, when there exist a true word equivalent in any language. To transliterate a Bible word when there exists a true word equivalent, is done only with the only purpose to deceive with the only purpose to hide what truth is in true Bible translations.

When translating the Bible into a language that has a word equivalent in the command to be “Baptizo”, it is deceitful to transliterate and refuse to translate correctly that very important word equivalent in the command of our God to be “Immerse in water” to be saved.

Some Bible words must be transliterated, because in some languages there is no word equivalent in that language that gives the same nuance. When a Ruler, a pope or person or any group of persons refuse to translate a Bible word that clearly in the word or name definition there is a parallel word equivalent in word meaning that is teaching against their doctrine (instructions from God) and they instead want to transliterate the word or name to deceive their people, they make that word or the name a “Blasphemous name” to hide their false doctrine or dogma (instructions making the false claim to be from God).

You never transliterate a word or name into a language that already has a word in that language that can be clearly translated. In a transliteration, the student must learn true word meaning on his own, what the true word meaning of a transliteration is.

The transliteration will leave room for a false interpretation to make a blasphemous name or a word that does not have the correct name or word meaning.

Pope Damasus agreed to allow Jerome to transliterate the Greek name "Baptizo" because most in the Catholic Church were not allowed to be immersed and most Catholics were not allowed to read the Bible and most would never know what the true meaning of the Greek transliterated word "baptize" is. Even today when people can read the Bible, billions are still deceived by the transliterating the blasphemous name "Baptize" instead of translating the true command of God to be "Immersed" in water.

The warning of John The Revelator gives the warning about the Great whore who is riding on a scarlet colored beast and the Great whore has fed the belly of her beast (her beast is her Religion) and her religion (the Beast) is fed full of blasphemous names (see Rev. 17:3b). These blasphemous names are riddled throughout most all the most popular translated Bibles. It is easy to see the beast of the Great Whore is the religion of the Great whore and "the beast or the religion of the Great whore is fed to the full of blasphemous names." It is the belly of the beast (her religion) that is full of blasphemous names that deceives the Saints by creating blasphemous names to deceive the Saints.

Now notice carefully, the "excrement" or "The Putrid Names" or what comes out of the Belly of the Beast "the blasphemous names in her religion," will create and make other blasphemous church daughters of the Great whore.

Now many Bible scholars will interpret different, what the great whore the Catholic Church that has created blasphemous names and has translated these blasphemous name into the Bible records for the only purpose to deceive the Saints of God who are -in the everlasting kingdom of God.

The Catholic Church and others who love the blasphemous names full in the belly of the beast is a religion of the Great whore, and there is a world of deceivers who will give adroit very clever completely opposing interpretation of what the "Great Whore" is. Multitudes will teach the beast of The Great whore is riding upon, the beast that is fed full of names of Blasphemy, is -not false translated Bible names started by the Catholic church.

Do not let the devil with the clever the adroit twisting of the warning against blasphemous names deceive you. You as a Saint of God and a student must decide for your salvation who is teaching truth about the warning of blasphemous names that are mistranslated in your Bible records and according to Christ "mistranslated blasphemous names" that make a lie and "blasphemous names" will cause the Saints of God to be deceived and everywhere it is taught to beware, blasphemous names that deceive the Saints, will cause the Saints to loose eternal life.

Now if you do not believe what Christ said about the need to know truth before we can be made free from Sin, then the study of the need to know what the truth is about blasphemous names would be of no consequence to you. If you truly are a Saint and if you are not open to reasoning truth and do not believe the warning that blasphemous names will cause you to loose eternal life, then you waste your precious earth time reading this article.

Believe the warning given in the prophecies, -All the most popular translated Bibles in the entire world are translated with "Blasphemous Names" purposely designed by the "Great whore" to deceive the Saints of God. What truth do you know for certain about "blasphemous names" that are mistranslated in most ever popular translated Bible in the entire world?"

Now if you do not believe you need truth in Bible translations to be saved, then the warning to beware and watch for blasphemous names that deceive the Saints of God will mean nothing to you.

You should be concerned about blasphemous name that are mistranslated into records of many false translated Bibles. If you believe the warning given by Christ that to “know” or to intercourse the truth is what will make us free from sin (John 8:32). God is a Spirit and those that worship God must worship Him in Spirit and in truth (John 4:23-24).

Did you know the only Bible in the entire world whose main purpose is to eliminate every blasphemous name from their translated Bible record, is “The Free Ekklesia Bible.”  
[www.ekklesiabible.com](http://www.ekklesiabible.com)

Did you know that most all the most popular Bibles are full of names of blasphemy that come from Bible translations that are an exact copy coming directly from the Catholic “Church” Catechism. A name that blasphemes, is a name that the “authority in the name” is speaking injuriously against the infinite God of the Bible and against you as a Saint. These blasphemous names are so well embedded into the most popular Bible translations it is near impossible for the Saints to believe that they have been deceived by false translated blasphemous names in their Bible records.

It is easy to prove “The name church” is a blasphemous name created by Constantine who started the first “church” the Catholic church, a name that in the authority of the name “Church” is speaking or teaching injuriously against the infinite God of the Bible. The authority of the name “church” is speaking or teaching injuriously against God and injuriously against your salvation. In reasoning the purpose of warfare or the conduct of the court of the Ekklesia of Christ is proof the conduct of a “church” is nothing like the true conduct of warfare in name or word definition as the true Bible name “Ekklesia” of Christ. For centuries this blasphemous name “church” has deceived billions of professing Christians.

The false Bible translated name “Sunday” or “the First Day of The Week” is an artificial measure of a Bible day that you must use a

clock to tell the beginning of the resurrection day of the “week” of the seven sky gods. The blasphemous name “Month” also is a blasphemous name or the artificial time measure of a solar day, made by the Catholic Church for their Catechism and their Catholic translated Bible. These blasphemous names are mistranslated into every most popular Bible translation in the entire world.

Know the religions of your Bible translators. Here is a fact that you need to know, Most all Bible translators believe we are saved by Faith or by grace alone and they teach, works of repentance does not save self and we are not saved by truth in true Bible translations. These same people have purposely mistranslated their Bibles by falsely translating these blasphemous names in their Bible records to make their false translated Bible record to say that they are “not saved by works” so they do not need truth in Bible translations to be saved.

The Catholic Church has a Bible translations but the Catholic Church does -not believe we are saved by true Bible translations but you can -only be saved by keeping the Catholic Catechism. The Mormons do not believe you need a true Bible translation to be saved but you can only be saved by the book of Mormon which book of Mormon is full of names of blasphemy that was made first by the Catholic Church. Bible translators translate their Bibles with blasphemous names with the only purpose to deceive the Saints of God because they really do believe everyone can be -Saved by a selfish kind of a desire, saved only by a selfish thinking kind of a “faith” and by Grace alone. Study this fact for your eternal life and discover -Most of the most popular Bibles in the entire world have been translated by people who do not believe we must have truth in Bible translations to be saved. Others are simply the deceived.

The God of the Bible did not start any blasphemous name or organizations of any “church” so the question you must answer if you are in a true Church, what god has started the blasphemous name of your Church?

The blasphemous name of Church is supposed to be a translation from the Greek Bible name "Ekklesia." (Mat 16:18) When Christ spoke of the warfare of his Ekklesia against the gates that lead to death in Hades and when Christ said his Ekklesia can not be overcome or divided, this fact is showing in the Ekklesia is a spiritual warfare that in conduct of the court of the Ekklesia, it absolutely impossible for the Ekklesia of Christ to be divided. Now note this fact that every church in the entire world is divided and is impossible for Churches to unite as one in Christ. Then because the word of churches can not "Unite," but are divided for all their eternity, we can easily see the conduct of the Ekklesia of Christ is nothing like any blasphemous name of any "church" in the entire world.

Church history proves it was The Roman ruler Constantine that - stopped allowing the conduct of the Roman Latin Ecclesiam and he started the first blasphemous name of the "Church" ever to exist on planet earth. In the early fourth century, This blasphemous name "Church" is a name given to an organization started by the Roman Emperor Constantine for the beginning of The Catholic Church. See "Who Started Your Church?" at this web site [www.ekklesiabible.com](http://www.ekklesiabible.com)

There is a very clear prophecy that is giving the warning about this Roman emperor "Constantine" who started the Catholic Church in the early fourth century. Constantine will Change the laws of God and change the set times that God has established for the Saints to gather and to worship. Ask any professing Christian what time did God set to worship him in the New Testament and out of thousands you may only find one or two who know truth in the answer.

Daniel 7:25) Note carefully, the warning of the prophet Daniel about the deception of the Saints of God by this wicked ruler (the eleventh horn or Constantine) who today we know his name is the Roman ruler Constantine who started the first Church called the Catholic Church. Note Daniel is not warning about people who are not "Saints" but Daniel is giving the warning about people who do

become the “Saints” of God, people who are -in the everlasting kingdom of God but the are deceived by blasphemous names. Note the warning is given to the Saints of God who will allow self to be deceived by this wicked ruler whose name is discovered to be Constantine. Once the Saint is -deceived Daniel give this warning to the Saints, God will give the deceived Saints over to the hand of their deceiver. The record shows the deceived Saints of God in the Everlasting kingdom of God will not be saved unless they learn truth and repent of their deception.

Daniel 7:25 } *And he [the eleventh horn] shall speak [blasphemous] words against the Most High, and shall wear out the saints of the Most High; and he shall think to change the set times [to worship] and the laws [of the most high]; and they [the deceived] shall be given into his hand until a time and times and half a time. {7:26} But the court [of Ekklesia] shall be set, and they [the Saints] shall take away his dominion [to deceive], to consume and to destroy it unto the end.*

Carefully note, the deceived Saints God gives His deceived Saints over to the hand of their deceiver the wicked ruler “Constantine” who stopped the conduct of the court of the Ekklesia of Christ and he started and built the first church in the entire world. Are you certain you have not been deceived by this wicked ruler and by his blasphemous names such as the blasphemous name of a “church.”

The apostle John Revelation chapter 17 will describes the organization “The Catholic Church” that was started by Constantine as “The great whore.” The organization of the Great whore (the Catholic church) is riding on a seven headed “beast” the color of scarlet or the color of blood that the great whore will murder millions of professing Christians who oppose the false teaching and the blasphemous names made by the Great Wore for the only purpose to deceive the Saints.

Note “The Beast” is not the organization of the Catholic Church called the Great whore but “the Beast” is the religion of the

organization the Catholic church.” The Beast she the great whore is riding on a “beast” of “her religion” full of names of blasphemy. “The great whore” and in the belly of the beast is fed full of the names of blasphemy. The Beast she is riding on is the religions of the Great whore. In the religion of the beast the “belly of the Beast” is fed full or stuffed full of blasphemous names. Note Rev 17:3b, the beast is “Full of blasphemous names. It is the beast (or the religion of the great whore) she (the Catholic Church) is riding on.

God is giving us warning, to come out of the religion of the Great Whore “The Beast” and come out of the belly that is fed by the Great Whore to be full of blasphemous names of her religion “the beast” of the Great Whore.

It is the belly of the beast that is being fed to the “full of the names of blasphemy.” Today these blasphemous names are written in modern translated Bibles that are copied directly from the belly of the beast in the religion of the Great Whore. These blasphemous names that are copied directly from the Catholic Catechism and copied from the translated Bible of the Catholic church by protestant churches for their Bibles.

Keep in mind the “church” or the organization of the “Great Whore” was started by the emperor Constantine in the early fourth century.

Here is the truth we find in our discussions with thousands who profess to be “Saints of God,” this fact is absolutely amazing. Did you know that the -majority of the of professing Christians who are the deceived “Saints of God” really -do want to unite and restore in Conduct the true Ekklesia as one organization in God. This is the prayer of a multitude of professing Christians from all who are deceived by blasphemous names that make a multitude of divided churches.

When what is called the restoration movement of the Church of Christ or the Stone Campbell movement started, this movement first restored a part of the function of the hot warfare of the “Ekklesia” of Christ but note, the restoration did not stop the blasphemous names such as the name “church” but they still called self by the passive blasphemous name of a “Church” of Christ. The name “Church” is borrowed from the contents of the fed full belly of blasphemous names of the beast (the names in the religion) of the Great whore.

With all these evidences there are those who will teach, the New Testament is teaching once saved there is nothing that can make the Saint unsaved.

Hear the warning words of Christ against deception of the Saints of God, ***“those who do work without law,”*** -in the everlasting kingdom of God, Saints who are deceived by blasphemous names from the “seed’ or the teaching of the devil.

Ekklesia Bible translation.
