Rev 18:4 My People, Come forth out of her, that you have no fellowship with her sins, and that you receive not of her plagues:

Is Your Most Popular Bible Mistranslated By Devils.

Are you certain it was not the devil that mistranslated your most trusted Bible. Know the religion of your Bible translators. You think that it would be impossible that your most popular Bible is purposely mistranslated to stop you from going to heaven. Maybe you think you do not need truth from your most popular Bible translators or that you do not need truth to go to heaven?

Does your Bible translators believe that they can translate lies into your most popular Bible translated records and do they believe that you can be saved by their mistranslated lies? My friend this is not a trick question. I am very serious, and I know for certain in what I am asking you. I know for certain all, yes all the most popular Bibles are mistranslated and riddled with names of blasphemy invented by the Catholic church and translated into all the most popular English translated Bibles.

The question is how much do you care if you have truth or not? How much effort will you put forth to learn truth about true Bible time? I warn you if you have one of the most popular Bible translations you have a Bible that is mistranslated by the devils made only to deceive you with names of blasphemy (see Rev. 17:2b).

At the beginning of the new day is understood to be dusk of the Evening. Most popular Bible translators follow the false teaching of the Catholic Church and they not once ever translate Christ to keep his solar day starting at dusk of the evening.

Acts 13: {2:29} Brethren, I may say unto you freely of the patriarch David, that he both died and was buried, and his tomb is with us unto this day. {2:30} Being therefore a prophet, and knowing that God had sworn with an oath to him, that of the fruit of his loins he would set [one] upon his throne; {2:31} he foreseeing [this] spoke of the resurrection of the Christ, that neither was he left unto Hell, nor did his flesh see corruption. {2:32} This Y'ehsus did God raise up, where we all are witnesses. {2:33} Being therefore by the right hand of God exalted, and having received of the Father the promise of the Holy Spirit, he has poured forth this, which you see and hear. {2:34} For David ascended not into the heavens: but he said himself, The Lord said

unto my Lord, Sit you on my right hand, {2:35} Till I make your enemies the footstool of your feet.

John 20:1 “cometh Maria Magdalene, when it was early yet it was dark, unto the sepulcher. Maria Magdalene comes to the Tomb at “early dark” or at dusk of the evening on the solar day Mia. See The Greek Septuagint or Old Testament of the Jews who wrote our New Testament the first day of creation is named Mia. The first day of creation is he Greek Mia. Stay with me. Be very careful to note the first day of creation is not a Solar day of God, because to have a solar day (Sunday) you must first have a “sun” to make a Sunday. On the first day of creation of this day Mia there was no sun yet created. When the sun was created God never named his day “the first day of the week” which is an artificial measure (Requires that you have a clock to measure) from two revolutions of the earth upon it axis to get one solar day Sunday.

Notice how the translators try to fool and try and make you think God is using the artificial measure (clock) time keeping. The following is the false King James Bible Translation.

Mark 1:35 And <2532> in the morning <4404>, rising up <450> (5631) a great while <3029> before day <1773>, he went out <1831> (5627), and <2532> departed <565> (5627) into <1519> a solitary <2048> place <5117>, and there <2546> prayed <4336> (5711).

Now notice the Correct translation Mark 1:35 And <2532> early <4404-proie>, rising up <450 an-is’-tay-mee > (5631) a great while <3029 λιαν lian lee -’8“,,—an>the night, (nocturnal)<1773> <1831 εξερχομαι exerchomai ex-er -’8“,,—khom-ahee > (5627), and <2532> departed <565> (5627) into <1519> a solitary <2048> place <5117>, and there <2546> prayed <4336> (5711). This record is saying Y’ehsus the Christ is rising up early in the night to go and pray as he usually does in the beginning of the solar day at night.

Mark 1:35 And very early by the oncoming night having risen up he departed, and went forth into a desolate place, and there prayed.

Mat 14: ²³After He had sent the crowds away, ^(A)He went up on the mountain by Himself to pray; and when it was evening (at dusk), He was there alone.

Luke 5: ¹⁶But Jesus Himself would often slip away to the wilderness and ^(A)pray.

Not notice this horrendous mistranslation of Bible Time.

The record says (Act 13:44) all the city is gathered at the Greek "Ericomino" or "the oncoming" Sabbaton ("Sabbaton" is Plural of solar Sevens). this gathering is "between Sabbaton" and is impossible to be translated correctly as "the next" or the on coming Sabbath day.

Acts 13:42, The Gentiles ask Paul and Barnabas to preach to them, at the time of "Metaxu Sabbaton" or the Jewish idiom of "The Sabbaton Between." The "Sabbaton Between" is a gathering at dusk at the end of the Sabbath day (the end of our modern Daylight of Saturday), This would be a gathering that parallels precisely the gathering in Troas (Saturday night) see Acts 20: 7. This gathering in Troas is at the resurrection moment on the day Mia before midnight or a gathering of Disciple at the resurrection moment of the Christ at dusk on the solar day "Mia". The solar day "Mia" (day One) is measured with only one revolution of the earth upon it's axis or only one whole dark period starting with the dusk of the evening.

All the Bible solar days of God are measured with only one revolution of the earth upon it's axis. All Bible Solar days are measured starting from the dusk of the evening. If you know truth of the resurrection moment of the Christ, then you know when the Gentiles are asking Paul and Barabbas come preach that to us at "Metaxu Sabbaton," is saying Paul and Barnabas, will you preach that same lesson to us at the exact resurrection moment of the Christ. "Metaxy Sabbaton" (Between Sabbaton) "at Dusk, Between two seven day solar cycles (The End of the Sabbath day), preach to us what you have preached to the Jews in their synagogue on the Sabbath day.

Now notice if you mistranslate Christ to resurrect on the day of the sun god or Sunday then your Sunday begins at -midnight. To translate this

record to be a time (“Between weeks”) would be asking Paul and Barnabas to gather and preach this same less to the gentiles at midnight which would be ridiculous. They would be asking Paul and Barnabas to preach this same sermon to us at midnight (between weeks). In the entire Bible, Our God did not have any artificial measure of days that start to be measured with a clock from midnight. The artificial measure of the ancient pagan solar day of Sunday, must be artificially measures from two revolutions of the Earth upon it axis and the pagan day of Sunday requires to be measured with two complete opposites or separate dark periods.

When any false tradition is mistranslated into the Bible records, for certain there will always be a shyster who can appear to manipulate the false translated Bible record to make the false Bible translation fit. this is exactly what the German Grimm did when he makes the false claim that he has discovered the Greek Metaxu can be translated as “Next.” One of the highly regarded Greek linguist tells me to translate the Greek word “Metaxu” as “Next” is a false Bible translation.

Mat 12:38-40 When Christ gives his prophecy of being in the heart of the earth for three days and three nights. We have men who reject true Bible translations of true Bible time and they teach the lie that Christ was crucified on the day of the prostitute (Friday and placed in the tomb Friday night at the Greek epiphosko at dark) and resurrected at sunrise on the pagan Sunday Morning and this will put Christ in the heart of the earth for three days and three night which false teaching is completely ridiculous. Christ did not resurrect on any part of any Sunday because the God of the Bible does not have a solar day with the name of blasphemy “Sunday.”
