

**Will You
Keep Your
Lord's
Supper on
the day of
the Moon or
on Monday?**

Editor Willard R. Wade

Would You Eat Your Lord's Supper On Moon Day Morning?

Note the admonition of Paul "You -Do what I do and the peace of God will be with you."

Note to Beware, If you do, what I am mistranslated in your false Bible says that I do, then death and the wrath of God is against you.

Philippians 4:9 Those things, which you have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you.

Paul is mistranslated and made to say, "You see me translated to be "breaking bread" just after midnight on a Monday morning, so your false Bible translators are saying, to do what Paul and the disciples in Troas is translated to be doing, preach until midnight of Sunday night and then after midnight break bread on Monday morning and the devils or your false Bible mistranslators are saying falsely that "the peace of God will be with you." "

Now you would be correct to say this is the most ridiculous custom that is designed by our God to gather on Sunday night to break bread after midnight on Monday morning. Not realizing it is your wicked Bible translators that are mistranslating the Bible record with the only purpose to deceive you and to get you to worship on a

Sunday as the pagans were worshipping on Sunday the day of their sun god.

You would be correct to say such a “Set Time of God” to gather to worship Monday after midnight would be ridiculous, because it is your wicked Bible translators that are deceiving you by mistranslating that the disciples gathered before midnight (Sunday night) of the first day of the week (of the seven pagan sky gods).

Acts 20:7 We know for a fact that this is a false translated Bible record that says that Paul gathered in Troas on Sunday (the artificial measure of a solar day the first day of the week [of the seven sky gods] before midnight of a Sunday night and there are many lights where they were gathered) to break bread. Get you a piece of Paper and make a diagram of the week days and discover the only before midnight of the first day of the week is a Sunday night. The disciples are mistranslated to say they are gathered on the night of Sunday to break bread.

Now note carefully Christ is recorded to resurrect on the Greek Bible day Mia. In the Greek Septuagint of the Olds Testament The day Mia is measured first with only one whole Dark period followed by only one whole light period. At the end of the light period on Sunday is the end of the Bible day Mia, or the resurrection “day one of the Sabbaton.”

The Beginning of Sunday night would not be any part of the Resurrection day. Sunday at the beginning of the night is the end of the day of the resurrection. Yet we have this

false Bible translations of acts 20:7 saying the disciples in Troas are gathered on Sunday night before midnight to break bread and there were many lights where they were gathered and Paul will preach till midnight of Sunday or the first day of the week. After midnight Paul is mistranslated to break bread on Monday morning.

The mistranslated day of the resurrection and also the day they gather to break bread. In this false Bible translation the disciples are mistranslated to say they did not break bread on any part of the day of resurrection but they broke bread after midnight on Monday morning. After midnight on a Monday is not on any part of the day of the resurrection of the Christ. Now would you agree to celebrating the Lord's supper on a Monday morning just like this false Bible translations is saying Paul broke bread after midnight on a Monday morning.

If you say this is a true Bible translation, and is a example of eating a Lords supper on a Monday morning, a Monday that is not the day of the resurrection of the Christ. Then in all honesty, would you object to eating the Lord's supper on a "Saturday night" to unite with the millions of Christians who believe it is a mortal life losing sin to take the Lord's supper on Sunday morning, a Sunday night or on a Monday morning? Millions of people that profess to be Christian gather on Saturday night to celebrate the Lord's supper, believing this is the only night our God has established for His Saints to gather and to eat the Lord's supper and this is the only true night of the resurrection of the Christ?

If you believe the Lord's supper of breaking bread was eaten by Paul and disciples on a Monday morning a day that is not the day of the resurrection of the Christ, why not agree to allow and to gather with the Saints of God on Saturday night, to be united together with them who believe that they can not gather at any other time but on Saturday night without losing their eternal life?

Acts 20 verse 7 At what time of what day does your translated Bible record say Paul and disciples gather in Troas for the purpose to break bread on the night of the day of the resurrection. Note carefully the gathering is at the true supper hour of our God, in the night of the day of the resurrection. What time and on what actual day does your Bible translations say Paul actually did break bread in verse Acts 20:11.

First of all Our God does -not have the Artificial measure of a Saturday night. God of the Bible does not have written in His ancient manuscripts of the Bible a "first day of the artificial measure of a seven day solar week" (of the ancient pagan seven solar days names after the seven sky gods and the first day of the "week" is Sunday the day of the sun god).

False Human traditions, of Eating "A False Lord's Supper" at the hour to "break Your Fast" a False tradition of eating Eucharist or a Lord's Supper, that was started first by the mother of all Churches, the Catholic church. This false tradition of a Sunday Lord' supper on a day of the sun god tradition, at the catholic hour to "Break Your Fast" is steeped first in Pagan Catholic

traditions. It is hard to break old Pagan traditions, when Bible mistranslations have made dark and almost impossible to understand what truth in the Resurrection moment of the Christ is.

It is the devil in all our most popular mistranslated Bibles and it is nothing but the world of the Devil that had changed true “ Bible set times of God to worship” and it is false.

The mistranslations in Bible Time in all the most popular translated Bibles have completely scrambled every set time event of our God. Bible Time and “Set Times” our God has set to Worship, all Set time events of God to Worship are designed by our God to put awesome convincing power in the Bible records to convince you that the Bible is from God or is God breathed. The devil and his disciples removes this great power to convince you the Bible is from God by mistranslating Bible set times of God to worship. In false Bible translations, What Great “set time event of our God is there, to worship and “break bread” or to celebrate the Lord’s Supper on Monday morning just after Midnight? Anyone with half a brain in making this Bible study from the ancient languages of the Bible can see there is a great problem of mistranslation of the Bible Set time events in this Bible record to say this was the first day of the week or a Sunday.

The disciples in Troas and the apostle Paul is mistranslated to say they “broke Bread” just after midnight on a Monday Morning. Would you like to wait until midnight of Monday morning to celebrate your Lord’s

Supper so you could emulate the apostle Paul and the disciples in Troas. Deep down in your gut, it is easy to see there is something dreadfully wrong in this Bible translation and should be warning you there is a mistranslation problem that says Paul and the disciples in Troas are gathering on Sunday night (the night of the first day of the week of the seven sky gods) to break bread.

Now your wicked Bible translators dare not mention the “Week” is an artificial solar measure made so you are to speak and give names to the pagan gods of the day of your life, to give glory and honor to the god of your day of your life to your seven pagan sky gods. To say Sunday is to speak the name of your god of the sun to give glory and honor to the solar day of the sun. Monday or “Moon Day” is giving glory and honor by speaking the name of your god of the moon, your life of your day you give the name to the moon goddess. To speak the name of the war god “Tue” or Tuesday is giving glory and honor in speaking the name of your war god “Tue.” You do not realize how Satan has deceived the entire world into giving glory and honor by speaking the names of their day of the seven sky gods as their days of their “week” or their “WuCu.”

After learning truth of the artificial measure of days of the Seven sky gods, anyone with half a brain can easily see that, the false Bible translation of “the first day of the week” or the name “Sunday” is false translated Bible names of blasphemy, names that are mistranslated into the Bible record for the only purpose to deceive the Saints about the true resurrection moment of the Christ.

So which would you prefer, A Saturday night Lord's Supper or a Monday morning Lord's supper? Neither the Saturday night or a Monday morning in the artificial measure of a solar day is any part of the pagan "first day of the week." Saturday night or Monday morning after midnight is not any part of Sunday (which Sunday is an artificial time measure that takes two parts of two natural eye observed Bible solar days to make the one solar day of Sunday). We get a little complicated but stay with me and see how awesome our God is and how convincing true corrected records of the Resurrection moment of our God is and God puts an awesome power in the resurrection moment. Let me show some of this awesome power of God in Bible set times to worship. LOOK in Genesis one verse two see there was darkness created before the light was created. The beginning of the dark Scientist call this beginning of creation "The Big Bang." I see nothing wrong with the name of the beginning creation of the dark of the universe as "the Big Bang."

Now notice Christ is recorded to resurrect at dusk, in the beginning of the evening on the parallel of the solar cycle of the Same moment of creation "The Big Bang." Here is another parallel of "The Big Bang" the Bible set time events of our God, the all night celebration of Pentecost on the beginning of the night of the Bible day Mia or day one.

Let me explain. A natural occurring Bible day is a solar day measured from the beginning of dark (dark) of the evening, Because God created the dark first. The solar

Bible day is a natural measure with only one whole dark period. Sunday is measured with two dark period of two revolutions of the earth upon it axis. Can you see how it is impossible for the first day of the week to be correctly translated as the true resurrection day of the Christ. God did not need a Clock to tell time to start His days of creation that were not solar day like He makes solar days for humans. God made the sun on the forth day of creation but the sun is created only for humans to measure their solar days.

God of the Bible in his creation days were not solar days the same as for humans because these creation days of God were not determined by the sun. How can you have a Sunday when there is no sun? Take careful note on the first three days of creation there is no sun created to make a day called "Sunday" or the first day of the week (see Genesis 1:1 through 19). Now for a fact if there was no sun created for the first three days of creation then we can safely assume the other days of creation were not day measured as is our days measured with the sun.

So the solar days of God do not start artificially in the middle of the night (as does our civil solar "week" days). So know this for certain the God of the Bible does not have a week but He has what He calls His seven solar day "Shebua" in the Hebrew and the "Sabbaton" in the Greek. Now notice this command of God "From evening unto evening you shall keep your Sabbaton (see Greek Septuagint the Old Testament Bible used by the same Jews who Christ chose to write our New Testament). Now the Same Greek word "Sabbaton" is used to give the

exact resurrection moment of the Christ at the end of the Sabbath day and at the beginning of the seven day solar Sabbaton. The resurrection moment is a time Parallel to dusk of our Civil time of early dark of our Saturday night.

Matthew 28:1 In the new Testament Christ is written to resurrect at the time of “epiphosko” the same “epiphosko” Christ is finished being entombed at epiphosko or lighting up the night of the new day (Luke 23:54) Christ will resurrect at Epiphosko or Lighting up the night of the new day at the first of the seven day solar Sabbaton. The resurrection moment of the Christ, in the artificial time mode, is a parallel to dusk of our modern Saturday night.

We measure the Bible day with your eye watching only one revolution of the earth upon it's axis. In a natural Bible solar day there is measured only one whole dark period followed with only one whole light period. The artificial measure of the solar day of Sunday (the first day of the artificial week day of the seven sky gods, because Sunday is a measure made first to honor their gods by naming the days of their artificial measure of a week by the ancient pagan Egyptians).

Bible translations of true Bible time which is made so twisted and complex and made hard for so few to understand the true resurrection moment of the Christ and the true time to celebrate the Lord's Passover Supper Memorial.

Do you say that you do not believe it possible for Bible translations of the “Set times of God to worship” will be changed by a wicked ruler devils in Bible translations will change in their translated Bibles the set times of God to worship. It is prophesied Devils in their false Bible translations will deceive the Saints of God.

Question is can you be convinced to truth. Then you reject or do you accept or believe in the true Ekklesia Bible translation of the prophecy of Daniel 7:25.

And he [the eleventh horn] shall speak [blasphemous] words against the Most High, and shall wear out the saints of the Most High; and he shall think to change the set times [to worship] and the laws [of the most high]; and they [the deceived Saints] shall be given into his hand until a time and times and half a time. [We in brackets amplify the record so you can not possibly misunderstand this prophecy.]

-We allege (state under oath to our God, or we plead with you) that -All The “Set times of God to worship” have been changed in -all your most popular Bible translations.

If this allegation to truth of the change in times God has set to worship has been changed in all the most popular Bible translations. Does this allegation not “shock you to the core” and cause a great concern for not only for your eternal welfare but for the eternal welfare of millions of the Saints of God. Would learning truth about a Saturday night Lord’s supper cause you to open your mind to truth, If you are not concerned then you just as well stop reading this warning we are trying to give you.

We continue to give you the warning from Daniel about the Saints of God that are deceived and When they are deceived God gives the deceive Saints over to the hand of their deceiver;

{7:26} But the court [of Ekklesia] shall be set, and they [the Saints] shall take away his dominion [to deceive], to consume and to destroy it unto the end. {7:27} And the kingdom and the dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the Saints of the Most High: his kingdom is an everlasting kingdom, and all dominions shall serve and obey him.

Now look again we the Ekklesia of Christ are restoring as part of this prophecy. We the Ekklesia of Christ are showing truth, it is past time we restore truth in all Bible translations.

1) It is past time to restore the hot militant warfare to be made against the gates of Hades or hell and restore the court of the Ekklesia of our God that Ekklesia is designed by our God to unite all the Saints of our God. To restore the hot militant warfare of the Ekklesia of God demands we stop the passive conduct of all churches. The God of the Bible did not start any Church. Read Daniel who gives us the warning that the eleventh ruler (Constantine) will start all churches and only then can he the eleventh ruler will after he stops “Ekklesia (the Latin “ecclesiam),

The false teaching of Constantine will “Prevail” over the Saints of our God and deceive them.

Daniel {7:21} I beheld, and the same [eleventh] horn made war with the saints, and prevailed against them; {7:22} until the ancient of days came, and judgment was given to the saints of the Most High, and the time came that the saints possessed the kingdom.

It is past time for the Saints of God to remove false Bible translations and names of blasphemy from our Bible records that deceive the Saints of our God.

2) It is past time for the saints of God to remove names of blasphemy from all translated Bible records found in all the most popular Bible translations.

We are warned by John the “Revelator” there is a “Great Church Whore.”

Ekklesia Bible translation Rev. 17:1b “Come here, I will show you the judgment of the great [church] Whore that sits upon many waters.”

Rev 17:3b “I saw a woman [church whore] sitting upon a scarlet-colored beast [a church religion], full of names of [church] blasphemy.

Now not these names of “church blasphemy” can not deceive the Saints of God unless they are mistranslated into the most popular Bible translations.

Note she the first church whore, is riding on her church beast (Her church religion) and she has fed the belly of her church Beast (Her church Religion) to the full of Church names of blasphemy. What is coming out of the belly of

her church beast (church dung) will only make more “church whores.”

Here God is warning us that we will not be saved if we do not come out of her false names of blasphemy; Rev {18:4} And I heard another voice from heaven, saying, Come forth, my people, out of her, that you have no fellowship with her sins, and that you receive not of her plagues:

2) It is past time to restore Laws of God that are mistranslated in all the most popular Bible mistranslations. Look Daniel warns “Laws of God” will be changed but they can only be changed in false Bible mistranslations.

A) In all the most popular Bibles are actually mistranslated to actually say we are not under any law from God.

B) Bibles are actually mistranslated to actually say our most wicked works of unrepented sins will not make self unsaved (Ephesians 2:8-9) .

2) It is Past time to restore all Bible “set times of God to worship.”

Do you say when the Saints of God that are deceived by false “set times of God to worship” that our God would not give the deceive Saints of God over to the hand of their Deceiver? Only your false Bible translations will say the deceive Saints will still be saved after they are deceived and are given over to the hand of their deceiver.

Then why would you not believe in the prophecy?

Most people love and want truth but most people are convinced by false Bible translation that teach we do not need truth or good works needed to be saved.

If it is honestly proven to you positively and with out any doubt, that Christ did -not resurrect on any part of Sunday, neither did the Christians in Troas in Acts 20:7 eat their lord Supper on any part of Sunday (or as is falsely mistranslated to say the Disciples gathered on Sunday night but the false translated record says the disciples in Troas eat their Lord' supper on Monday after midnight or on the second day of the week. Then it was impossible for the disciples in Troas to be eating their Lord's supper on the night or on the day of the resurrection.

Then would you agree to at the least, allow other Christians who love truth and to keep their Lord's supper with millions of other professing Christians that observe their Lord's Supper at the true resurrection moment and at the only true supper hour of our God on The Civil solar day of "Saturday night?" Would you rather choose the false Bible translations of after midnight on a Monday morning for you Lord's Supper?
