Preface. What is written here you can not possibly begin to reason from our modern environment of affluence or from our modern world of the multitude of our riches made up to our modern age of science and the creation of machines that make us wealthy in the United States.

Look back in the History of the United States When there were the Majority of the multitude of professing Christians that were living as close to the Bible teaching as they understood in their translated Bible records. Only one hundred years ago in many places in the United States There was no need for locks on doors. I am now ninety years old and I remember a time when there was no guards in the banks. There was no need for police in schools. There was no need to check your person for explosives, guns or knives to travel with other people in an ariplane. A drug Addict above smoking tobacco and drinking alcohol was almost none existing. There was no threat from religious Terrorist. There was no need for a Guard to check you in out of any store. One hundred years ago Even the Muslims respect and considered the United States more godly and more moral than Muslims. Now note we are talking about white Christians who died in the civil war to give freedom the the black people in the United States.

If you do not believe or understand that to be made a wealthy and most comfortable society when you can live without fear or molestation, it was the work of our creator and God that was giving us power, peace, together with the riches and prosperity of the machine age.

You can not possibly begin to understand history of an most ancient society of Israel, in what was called “A Land of Milk And Honey” but when this ancient society is compared to the world of differences in riches between the modern United States and ancient Israel in their land of Milk and honey is the differences in wealth in environment is like dark to light. Ancient Israel in the promised land in their wealth above other people of the world, when compared to the United States would be identified as still living in total poverty worse than modern third world.. To realize this world of differences you would need to spend a life time (average about thirty five years) in the ignorance of the science of their environment of that ancient society of ancient Israel.

If you do not believe it is only our God who has allowed us to begin to know and understand our modern environment of great affluence and our universe so today even the poorest of the poor Christians, when compared to the ancient world of Israel we are writing about the command of God to go and kill the man, the woman and their Children who are protecting those homosexuals who were called in the Bible by the name “Sodomites. There is nothing “gay” in the Bible name “sodomite.” “Today the most poorest of persons of the United States is considered to be rich when compared the ignorance of their environment of the people in this Bible history we are about to show the mind of God hating the conduct of His called out people that were not “Gay “ or Sodomite but they were guilty of protecting the wicked deviant sexual sins of sodomy.

Few people understand or in their total ignorance do not believe it is the God of the Bible who has fulfilled Bible

prophecy and it is God who has brought us to the machine age and has made us wealthy where one machine can feed a thousand hungry people. Most all of this United States live in the greatest affluence never ever dreamed by humans. Reason seriously in the promise of our God to make those who love and obey God wealthy above what anyone has ever dreamed. When God makes his “called out” people wealthy those who hate God but live in the same society with Christians is also blessed to become wealthy. Today the humans who designs the machines and the science that has made us wealthy is given the glory and honor for creating the machines that has made us wealthy and they do not give glory and honor to God.

Judges chapter 19.

In this Bible history ia about a Levite and his concubine, The home of this certain Levite that was living on the far side (other side) of the hill-country of Ephraim. The City of Ephraim is in the territory of Ephraim located due (about six miles) north of what is now called Jerusalem. Take very careful note, for a Levite to have a concubine (a woman who is not of the sees of Abraham) it is against the written law of God for a Levite to marry a none Isralite or to have a concubine (sexual slave) not of the seed of Abraham. .

This Levite took to him a concubine out of Bethlehem-Judah which in English is called “The City of Bread” which is very close (about three miles) from Jerusalem. The Concubuiibe was probably a Jebusite because the Jebusites were allowed agains the law of God to be living together with the Isralites, The Concubine lives with the

Levite in the other side of Mount Ephraim and she goes to her father's house for the time length of four cycles of the moon. The house of her Father is in "The City of Bread" (Bethlehem of Judeah). The Levite decided to take his servant (sex slave or concubine) and go the "city of bread" and get his concubine and bring his concubine home to the far side of City of Mount Ephraim.

When the Levite finally decides to take his concubine and go home, on the way home the Levite, his servant and his concubine decide to stay all night in the city of Gibeah a city belonging to the tribe of the Benjamites. Gibeah is A hill or hill-town, "of Benjamin" a city of the tribe of Benjamites which is about three miles north of "Jebu" (or this city of "Jebu" is later is actually named "Yerusalem" (translated Jerusalem) by king David after he banished all the Jebusites from out of the city of "Jebu").

Judges 19:15 And they turned aside thither, to go in and to lodge in A hill or hill-town, "of Benjamin": and when he went in, he sat him down in a street of the city: for there was no man that took them into his house to lodging.

Because all of Israel were stranger in a foreign land (Egypt) for four hundred years, God commands through Moses that Travelers and strangers of the tribes of Israel were to welcome anyone who is an Israelite and is traveling to invite them to come into their home to stay the night If needing a place to rest. Today only Arab Muslims copy this custom.

Judges 19:16 *And, behold, there came an old man from his work out of the field at even, which was also of mount Ephraim; and he sojourned in Gibeah: but the men of the place were Benjamites.*

(The city of Gibeah is believed to be a hill country between Ephraim and Jerusalem or mid way about three miles north of Jerusalem.)

This Levite was carrying wine with him so they went into the stranger house, an Israelite and they begin to celebrate with the wine. Verse 22 ¶ *As they were making their hearts merry, behold, the men of the city, certain base fellows, beset the house round about, beating at the door; and they spake to the master of the house, the old man, saying, Bring forth the man that came into thy house, that we may know [commit anal sex or sodomy with] him.*

23 *And the man, the master of the house, went out unto them, and said unto them, Nay, my brethren, I pray you, do not so wickedly; seeing that this man is come into my house, do not this folly.*

24 *Behold, here is my daughter a virgin, and his concubine; them I will bring out now, and humble ye them, and do with them what seemeth good unto you: but unto this man do not any such folly.*

25 *But the men would not hearken to him: so the [old] man [of the house] laid hold on his [visitor's] concubine, and brought her forth unto them; and they knew her, and abused her all the night until the morning: and when the day began to spring, they let her go.*

The concubine after being raped all night, appears to still be alive in the morning but is found dead on the door step by her owner the Levite.

(Notice the Levite did not give his concubine to these wicked sodomite men but it was the old man the owner of the house who gave the man's concubine to the gay sodomite men.)

The concubine of the Levite was killed by a few gay sodomite men but note the legal question is not one Israelite is to die because of the death is a low cast concubine. The record did say she was raped but not that she was killed by these men. It is assumed the sodomites killed her. There was for the payment required for the loss of the concubine of the Levite but according to law of Moses, but no Israelite is to be killed because of her death.

So the Levite cut the body of his concubine into twelve parts and sent the parts of her body to all the tribes of Israel. Keep in mind this concubine is not a member of the seed of Abraham and then according to law -no Israelite man, woman or child is to be killed because the death of this none Israelite concubine.

Note carefully, only for the acts of demanding rape in sodomy of the Levite man, thousands will die only because they want to protect these few sodomite men who tried to sodomize a Levite but note the sodomites did not Sodomize anyone. It must be noted the Levite was not sodomized and it was only witnessed that these men tried to sodomize the Levite. .

Then the rulers and men of Israel gather begin to search out the sodomite men who do not commit the sin of sodomy and it is admitted these men proballe raped the Concubine. There is no sin of rape and murder of a none Israelite woman that would cause thousands of Israelite men, women and innocent children to be killed. For men just to try to sodomize a Levite and then the entire tribe of Benjamin try to protect such wicked men, thousands of men, women and children of Israel will die.

Note the tribe of the Benjamites want to protect their sodomites.

Jud 20:13 Now therefore deliver us the men, the children of Belial, which are in Gibeah, that we may put them to death, and put away evil from Israel. But the children of Benjamin would not hearken to the voice of their brethren the children of Israel:

Jud 20:14 But the children of Benjamin gathered themselves together out of the cities unto Gibeah, to go out to battle against the children of Israel.

Now again note very carefully God is ask for his judgment verse 18 ¶ ***And the children of Israel arose, and went up to the house of God, and asked counsel of God, and said, Which of us shall go up first to the battle against the children of Benjamin? And the LORD said, Judah shall go up first.***

The Jews were selected to be the first to go and kill man woman and their children those who are protecting the “gay sodomites.’

Under the Old Testament God commands this people to Go and Kill all who protect the Gay Sodomites.

God does not change in His mind in what is wicked. warn what is Wicked conduct but The laws of God against evil conduct does Change from the Old Testament to the New Testament. What God commands us to do to those who sin in your Christian environment God has changed some laws in the New Testament.

Matthew Chapter 13 Today Christians are commanded not to kill others of a different belief of the devil, because under the New Testament we are to let the seed of the devil stay alive and let God do the separating in the end of the world. In the New Testament there is no record of any Christian killing anyone for their sins but they have not killed others. Christ declares In opposite or different religions that do not believe the seed of God or in teaching Bible truth, they are called “the seed of the Devil.” Christ taught we are taught by Christ not to kill them but let them alone until the harvest or the end of the world, and in the Harvest e will Christ will send forth his messenger and gather them to separate the wicked seed of the devil from his good seed and he will cast the seed of the devil in the fire.

I warn you to pay close attention. Here is why Muslims believe all homosexuals or sodomites must be killed. Muslims do not believe in the New Testament but they do believe in much of the Old Testament. Many of the laws of Mohammed are a direct copy from the teaching and

conduct of the seventh century “Catholic Church.” Also here is the reason why all Muslims believe that all people that protect the rights of the Sodomites who parades their deviant wicked life style before all, God commands in the Old Testament the army of Israel is commanded, to kill not only the homosexual Sodomites but kill all the men, kill all the women and kill all their Children who are not homosexual sodomite but kill them only “because they are protecting the wicked life style of the Sodomite.”

Because Muslims have parts of their law from the Old Testament it is the teaching of Muhammad in their religion they must kill man, woman and their Children all who are protect the disgusting wicked life style of the homosexual. In some Christian Communities for over two thousand years to commit sodomy was a death penalty.

The reasoning of our God in what is an abomination (a disgusting act) to in the mind of God does not Change neither is there even a shadow of Him turning.

James 1:17 Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning.

The love of God is no different today in the New Testament than The love of God for mankind in the Old Testament.

The wrath of God against those who refuse to repent and continue to sin is no different in the New Testament than the wrath of God against those who continue to sin as they did in the Old Testament. Those who live by the Old Testament laws such as the Jews and some laws of the Catholic Church, are under the law to kill the sodomite

and kill those who protect the homosexual sins of the
“Gay sodomite.”

The laws of God against some sexual acts were allowed under the law of God through Moses but this deviant sexual act between two of the same gender was considered disgusting and was strictly enforced by the death penalty.

Kings, Rulers and Priest Deut 17:16 But he shall not multiply horses to himself, nor cause the people to return to Egypt, to the end that he should multiply horses: forasmuch as the LORD hath said unto you, Ye shall henceforth return no more that way.

Deut 17:17 Neither shall he multiply wives to himself, that his heart turn not away: neither shall he greatly multiply to himself silver and gold.

The sexual law King David disobeyed and he had twenty wives and his son king Solomon had seven hundred wives together with three hundred illegal Concubines.

Note not one word is ever spoken about this sin of sexual conduct of these kings with more than one wife or illegal sexual concubines.

Take careful Note. some laws of God commands through Moses that a king was not to multiply wives, silver, gold or horses.

A king over Israel was to have only one wife. Clearly this sexual law was not enforced but the judgment for disobedience to some sexual laws that were not enforced by the ancient Israelites is not revealed to us.

If the rulers priest and Kings do not keep or enforce the law of God in no way does not mean they will not be held guilty in judgment from God after they die.

You can begin to see the gravity of the sin committed by the homosexual is far beyond disgusting to God that a king having more than one wife or an illegal concubine.

“God Commands Old Israel To go Kill everyone, kill the men, kill the women and kill all their Children of all those who protects the rights of the gay sodomites, also kill all those who have come out of their closet and that parade their wicked life style before all.

“If you do not reject the conduct of the gay Sodomite in their wicked life style then know this fact for certain, God will raise up your enemy for the purpose to kill you. If you allow and protect the gay sodomite then God gives you this warning, if you protect the wicked lifestyle of the gays sodomite, in your death without your repent you will not be allowed to go to live eternally with God.

I overheard two young college Girls who are professing to be “Christians” and they were talking about their university professor. The young girls were jokin and laughing together and saying their professor has revealed to everyone in his class that he is a practicing deviant anal sex homosexual sodomite. The sodomite professor proudly admits before all his University students that he is a fun loving sexual sodomite. The university professor who likes to promote his wicked life style as a so called “gay sodomite” declares he is not well today because he is having sexual problems and he needs to have more anal sex.

Then the two young professing Christians girls burst out laughing when discussing the words of their homosexual professor. in their total ignorance of the gravity of this sinner committing such a God disgusting sin they thought was funny. For a university professor To state the need for anal sex with another man to these Christian girls they thought was actually very funny. This same statement two hundred years before would have put the man in Jail or hanged by the neck until he is dead. To consent of this wicked conduct with the university professor, The girls did not realizing the gravity of their conversation they would also have been either also hanged by their neck or killed with rocks. Today the world of so called professing Christians has completely and entirely changed in their belief in Bible morality. Most who profess to be “Christian” do not have any morality nor do they believe in the true teachings of the Bible.

When God commands to kill all those who try to protect the rights of the Gay Sodomites where do you stand with God or with the disgust for sexual acts of the so called “gay” sodomites? In the Bible teaching There is nothing “gay” about being a deviant sexual sodomite. I warn you to be a part in protecting the rights of the gay Sodomite will put you in bed with the gay Sodomites and for certain you will suffer the same eternal consequences as the “gay Sodomites.”

How do we know God said for his army to go down and kill all of the gay Sodomites and kill those who protect the Gay Sodomites. Go and kill all the men, kill all the women

and till all their children of those who protect the Gay Sodomites. Kill, the men, kill the women and kill the children all that try to protect the “Sodomites.”

Judges 27 And the children of Israel enquired of the LORD, (for the ark of the covenant of God was there in those days,

28 And Phinehas, the son of Eleazar, the son of Aaron, stood before it in those days,) saying, Shall I yet again go out to battle against the children of Benjamin my brother, or shall I cease? And the LORD said, Go up; for to morrow I will deliver them into thine hand.

Beware Are you with God or are do you stand to protect the deviant sexual lifestyle of the sodomites?

Judges 20:12b What wickedness is this that is done among you?

Judges 19:13 Now therefore deliver us the men, the children of Belial, which are in Gibeah, that we may put them to death, and put away evil from Israel.

The entire tribe of Benjamin was protecting the sin of sodomite in a civil war. The judgment of God against those who protect the rights of sodomite, was to kill the man, woman and child because that were protecting only a few wicked sodomites.

Judges 20:18 ¶ And the children of Israel arose, and went up to the house of God, and asked counsel of God, and said, Which of us shall go up first to the battle against the children of Benjamin? And the LORD said, Judah shall go up first.

Judges 20:37b *and [they] smote the entire city [of Gibeah] with the edge of the sword.*

The Israelites army almost kill the entire tribe of Benjamin for trying to protect only a few gay Sodomites.

Judges 21:2 *And the people came to the house of God, and abode there till even before God, and lifted up their voices, and wept sore; 3 And said, O LORD God of Israel, why is this come to pass in Israel, that there should be to day one tribe lacking in Israel?*

The army of Israel made a covenant, if any city did not send men out of their city to kill those who protect the rights of the gay sodomites, that entire city will be destroyed men women and Children.

They ask “Who of our number refused to go and fight to kill those who protect the sodomites.” Go and kill them everyone of them, man, woman and their children of the Israelites who refuse to send men to kill those who only protect the rights of the sodomites to commit deviant sexual Sodomy. Kill man, woman, and child of that city that did not send en to go up to fight against those who fight to protect the rights of the sexual sodomites.

Judges 8 *And they said, What one is there of the tribes of Israel that came not up to Mizpeh to the LORD? And, behold, there came none to the camp from Jabeshgilead to the assembly 9 For the people were numbered, and, behold, there were none of the inhabitants of Jabeshgilead there. 10 And the congregation sent thither twelve thousand men of the valiantest, and*

commanded them, saying, Go and smite the inhabitants of Jabeshgilead with the edge of the sword, with the women and the children.

A Historical Witness of the wrath of God Against Those Who Protect so called “Gay Rights” or the disgusting wicked sexual actions of “Sodomites.”

The Bible teaches those who commit sodomy are called “Sodomite. The sodomites are not called “gay” nor is there anything “gay” in their sexual conduct. “The judgment from God for the unrepented sin of Sodomy is just the opposite of what is “gay.” The sodomite is called by what they do which is an “abomination” (disgusting) in the eyes of God as is their name “Sodomite.”

Protecting the rights of the sodomite is no different from protecting rights of people demanding their deviant rights to commit, murder, sexual adultery, fornication, pedophile, incest, or bestiality.

Under the Old Testament both the Adulterer and those who fornicate with animals, and the sodomite were to be put to death.

Today the Muslin world live under the law of the Old Testament and they still stone the Sodomite and the Adulterer to death and our modern world are shocked as such fundamental thinking only because our modern wicked world is filled with deviant sexual acts that in the ancient past demands the death penalty.

First of all there are even more abominably (God disgusting) sexual acts considered deviate sexual sins committed by people on the same parallel with the homosexual act. People with warped minds such as people who sexually intercourse the dead (the necrophiliaic), incest, pedophiles and many others who are born with what was understood to be “unnatural,” “deviant” or warped minds and continue to yield self out of control against God.

Take careful note, It is a fact, for the Bible believers to understand, whatever anyone does against the God of the Bible, God still agape loves the homosexual and every professing Christian is to also create in their hearts a genuine benevolent care for the best of welfare for the homosexual. The Christian is to create in their hearts a genuine benevolent care for their welfare of the Homosexuals but does not mean we are to protect his or her right to commit sodomy or homosexual acts.

I can see some of my children just like the ancient wicked city of Sodom are influence by the teaching not by the Bible but by the world such as Public schools, PBS, Discovery Channel, History channel and a world of “Tear Jerk” movies. Billions upon billions of dollars have been spent by atheist to influence your modern reasoning and your thinking. Now you think you have the answer and your answer is against what is written in that old book of books called the Bible. And you reason only from the false teaching of your wicked environment. You begin to think that “Anyone who lives strictly by that old book is just

plain stupid.” What do you really know for certain of that which is in the realm of your unseen dimension?

I beg you to allow me to show a teaching from the Old Testament “law of sin and death” of the human body who is our “school Master” and is teaching us in types, figures or in shadows giving us warning through the New Testament that sin without repentance will cause the death of our spirits out of the presence of our heavenly Father.

Unless we repent of all our continual sins we are all “worthy of spiritual death” or the separation of our spirits eternally from out of the presence of God. We must learn -Why we must first die and it is only in our physical death before we can begin to “know” truth or what the state of the case really is.

There is a good and logical reason why our heavenly Father has designed His plan of salvation that we can only believe by faith what is taught to be truth in the Bible. The entire writings of the Bible, is purposely designed to have a great power to convince, only to those who spend a life time in analytical study of the Bible in how to live only to please God. This then becomes so sad that you may never know the awesome power of the Bible to convince of the severity, the validity of what is written. Even worse is to be able to pass this awesome power to convince that “the Bible is from God” to those you love, is completely impossible in only a few words.

It is so sad, in our ignorance what the real state of the case is because only in the death of our body only then

will we discover what truth is or what the state of the case is such as only accepting that is the act of a traitor against God to protect those who commit wicked homosexual acts will cause our spiritual death. All our physical death is coming very soon and how we make judgment against our God today through protecting the wicked rights of anyone in their sin, will surely follow us into all our eternity.

Our greatest problem today is described by one of the world's greatest historian named "Gibbons." He describes a God blessed society (affluence or riches) will always bring with affluence massive immorality. The God of the Bible is written to have said "I can not make you fat but you depart from me." It seems to be human or the animal nature in humans, when our stomachs are full the human become passive to truth and prefers to begin to live in a dream world of fiction, fables and make believe.

The English word "Gay" is just the opposite of the word "sodomite" and does not begin to describe the results is horror from committing homosexual acts.

The English word "Gay" is not how the homosexuals are described in the Bible. The Bible describes this kind of sexual preference as "Sodomites." The homosexual for thousands of years are described as Sodomite because God burned with fire from heaven the city of Sodom and the homosexual sodomites that were living in that city. The city of Sodom was not burned only because there were homosexuals living there but every person living in Sodom that did not escape Sodom were wicked people.

For centuries every wicked generation tries to change Bible history to protect the wicked rights of the homosexual or the sodomite.

Read this New Testament judgment of God against those who protect rights or the sodomite or any other actions of the wicked.

Now note to be “worthy of death” is not saying we should kill anyone as some are falsely teaching. Ignorance of the death of the spirit from committing homosexual acts without repentance, or for anyone who is protecting the guilty of homosexual acts is far worse than the death of the human body. But most today do not believe these facts that there is the death of the spirit because our creator does not let us see our spirits that controls our human bodies.

Now be careful to notice not only are all sinners worthy of death who refuse to stop sinning but those who do not commit the sin but only protect the sins of the other sinner. They who protect the rights of any sinner to continue to commit sin, the one who is protecting the sinner to sin is also judged by our God to be “worthy of death.”

The free Ekklesia Bible translation Romans {1:27} ***and likewise also the men, leaving the natural use of the woman, burned in their lust one toward another, men with men working God disgust, and receiving in themselves that recompense of their error which was due.*** {1:28} ***And even as they refused to have God in [their] knowledge, God gave them up unto a reprobate mind, to do those things which are deviant;*** {1:29} ***being***

filled with all unrighteousness, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit, malignity; whisperers, {1:30} backbiters, hateful to God, insolent, haughty, boastful, inventors of evil things, disobedient to parents, {1:31} outside understanding, covenant-breakers, outside natural affection, unmerciful: {1:32} who, knowing the ordinance of God, that they that practice such things are worthy of death, not only do the same, but [death] also they that consent with them [in] that practice.

So you see just to protect the sin of others is to be judged by God together “in the same judgment” with the wicked sinner. Note all these sins are lumped together and each deviant sin is just as bad as the other.

If we choose to consent together to protect the wicked, without our repentance from trying to protect the wicked, then we also are “worthy of death” not a death of our physical body because Christ commands us not to physically kill those who are of the seed of the devil.

(Mat 13: 30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather you together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.).

It is the eternal spirit of those who protect “gay rights” or those who protect any of the wicked sins mentioned above, these are those who are to be separated into a

living death for all eternity from out of the presence of God.

Death of the spirit -Not only those who commit sexual immorality but those who protect the wicked in their sins. Any sin that God condemns to death of their Spirits and death for the spirit that becomes a traitor against God and joins together by protecting the wicked acts of the those who hate God.

Those of us who refuse to repent of our sins against our creator, our creator will force us to exist in pain and suffering eternally out of His presence.

Examine self that Do you not live in a dream world, fiction fable and of make believe? Look around you and reason we must compete continually day and night to stay alive? Do you get pain when you get hungry or thirsty or tired? We are living now in a kind of hell but we also are allowed to live in an ordered existence. In the other hell is said to be “without order.” You have no idea what that place would be like.

Now Read this Bible history about thousands (near a quarter million people that belong to God were killed some guilty, but take careful note, some were innocent but were killed only because they lived together with the guilty). Thousands of the innocent who by the consent of God they were killed only because others tried to protect the rights of a few sodomite men.

First let us set the environment to be able to understand this true Bible history. The book of Judges is written

within a few hundred years after the Children of Israel were delivered from slavery to the Egyptians to the land of promise that “flowed with milk and honey” (about one thousand years before the coming of the Christ).

Comparing a land of “Milk and honey” to slavery to the Egyptians is still far from our modern affluence today. The ancient land of “Milk and Honey” is still a land of horrendous hardship.

Our modern blessed by God society is the land of “milk and honey” comparing to ancient Israel . Today with all the scientific knowledge our modern blessing from God, in our land of milk and honey, ancient Israel is a thousand times worse than any modern third world country today.

This Bible history is a time of massive immorality when no one is keeping the law of God through Moses similar to our modern society who are a world of people who no longer keep the laws of God through Christ.

God commands to drive out the people of the Land of Milk and Honey.

Note the time is in Judges 1:21 ¶ *And the children of Benjamin did not drive out the Jebusites that inhabited Jerusalem; but the Jebusites dwell with the children of Benjamin in Jerusalem unto this day.*

Judges 1:29 *Neither did Ephraim drive out the Canaanites that dwelt in Gezer; but the Canaanites dwelt in Gezer among them.*

Certain parts of Promised Land was not conquered and the enemy displaced as God had commands Israel to do. The city of Jebu of the Jebusites that will later be hundreds of years later before the Jebusites will be completely be conquered by King David and the Jebusites will be completely displaced out of the city of Jerusalem.

Now here is the Law from God. It is against the law of God through Moses for any Israelite to sexually intercourse a woman who is not an Israelite or from the seed of Abraham. This history we are showing is about a man Levite from the special tribe of Levi of Israel. The laws God give to the Levites are more strict than the laws God give to other men of Israel. It is the Levites who are to become the priest or the slaves ordained by God to the entire chosen people of God. The Levites are to be educated to become the teachers of the law. The Levites are the “Cohen’s” or the free medical doctors for the sick and the infirmed of all the people of Israel. The Levite has no inheritance or they are not allowed to own land or property but they are slaves to the people and considered homeless and destitute as slaves to the called out people of God.

Start reading this history in the book of Judges 19 about this Israelite man of the tribe of Levite man who had an unlawful sex slave called a “concubine.” A concubine is what we today call a life time “Sexual slave” a “live in lover.” The concubine is owned or could be “purchased,” contracted like chattel. Se could be a gift of the owner. The concubine could to be purchased or she is owned as

chattel by the man through some legal transaction or made a slave by an act of war.

This man who is the Levite is breaking the law of God through Moses when he sexually intercourse the Concubine. A concubine is a woman sex slave who is not an Israelite. In the law of God through Moses -no Israelite is to die over the actions of a slave or no one is to die by the death of anyone who is not an Israelite. Do not overlook this fact, no Israelite is to die over any death of anyone who is not an Israelite. Now in this time of affluence for a God of creation to favor a certain group of people seems to be unfair. To understand the entire plan of God is teaching us the mind of God our creator. To understand this plan of God, we need to reason the poverty and the ignorance of the environment of the people of ancient Israel.

This Bible history of the actions that take place around this none Israeli concubine or sex slave, there will be thousands from the tribes of Israel who will be slaughtered only because the entire tribe of Benjamin try to protect wicked public wicked acts of only a few gay sodomite men. Again note carefully, The God of the Bible will command men to go up and kill hundreds of thousands of people men, women and their children will die only because the tribe of Benjamin try to protect the rights of only a few sodomite men.

First when men of the twelve tribes of Israel wanted a woman who is not from the seed of Abraham or she is not from the twelve tribes of Israel, The law of God through Moses commands no Israelite is to be killed over the

actions or the death of any slave. But where there is the action of sodomy involved thousands upon thousands who only protect the rights of the sodomite, both the guilty men and the not guilty women and the innocent children of Israel also were to be slaughter only because the adults were protecting the actions of a few gay sodomite men.

This Bible history has caused the early death of men and women right up to the twenty first century. In some places of my youth, to prove just that you were accosted by a homosexual and prove you murdered a man who accosted you to commit the God disgusting act of sodomy then -No charges would be filed against you for your killing of a homosexual. Note the same could be consider legal for a man to kill his wife (even in the early United States) when a man could prove by two or three witnesses that proves his wife had committed adultery and he was so angered that he killed his wide and her lover he was found justified or not guilty. What was not fair the man was never allowed to be killed by the wife for having illegal affair.

At least our modern society has corrected the murder of multitudes of sexual deviants.

Many poor sexual deviants were murdered because of this Bible history we are showing. Not only has the guilty died but this history also has caused the early death of multitudes of those who fight to protect the rights of sexual deviants who promote their life style in public. Under Moses God gave rights to kill all those who fight to

protect gay or the rights of the sodomites. Where will you stand in this fight for immorality of the homosexual?

Under Christ we are not to kill anyone for their sexual preference. If they do not repent of what God declares to be sin then the matter of their being allowed to stay alive, is to be left to God for their un-repentance. However to allow them or to protect them in their wicked life style is to join together with them against God and to protect them in their wicked sexual lifestyle is to be judged by God as being one and altogether with the judgment of being homosexual.

Under the law of God through Moses God had thousands of men women and children killed only because the adults tried to protect the rights of only a few gay sodomites. Beware, if you protect the rights of the “gay” sodomite to flaunt his or her sexual preference before the entire world you will stand judged before God. For your eternal welfare know for certain what you do when you stand idly by and do nothing to stop wicked homosexual sodism being paraded before all but instead if you try to protect the rights of the gay sodomites who flaunt their deviant sexual life style before the entire world you will surely suffer the wrath of God.

The record did not say how the protectors of gay sodomite were killed on the first two days of the battle against the Benjamites of try and protect gay sodomites. After the first three days of fighting to kill those who protect the gay sodomites, there were thirty eight thousand men of Israel killed.

The record declares on the third day of fighting there was on the third day twenty five thousand Benjamites killed for trying to protect the rights of the gay sodomites.

Know where you stand with your creator. Know this fact for certain the mind of our heavenly Father does not change from one evil in one day nor will our God later judge the same evil of the past as something good today.

What God hates one day He will not change but He will continue to hate today what he hated in the past.

Those who take sides to protect the “gay rights” God will make the same judgment of them today just the same as he did in the past. If God makes his judgment and has killed thousands of people for trying to protect “Gay rights” and God has killed thousands of men women and children only because they tried to protect only a few gay Sodomite men. You should know what Judgment God will make about you today who are passive and take sides with the wicked actions of the gay sodomites or protect any other kind of sin.

Read this true Bible history from the Ekklesia Bible and take a serious lesson from the entire community of the tribe of the Benjamites who tried to protect the wicked actions of only a few Gay Sodomite men. God sent his entire army of Israel to kill thousands of men, women and their innocent children who were killed only because the adults tried to protect the rights of a few gay sodomite men. Take this warning, If you are passive (do nothing)

and if you act to take the sides with the deviant sexual conduct and the filthy life style of the gay sodomites, then be for certain you will reap a worse reward and a curse greater than did the tribe of the Benjamites. Hear for certain the mind of our God against the deviant sexual conduct of the gay sodomites and the curse of God makes against those who stand to protect the deviant sexual rights of the gay sodomites.

Read This record From The book of Judges chapter 19
This is the true Bible record is about a Levite man and the death of his concubine who will be sacrificed to save him from sodism as she is forced by a man in his home their are visiting. The illegal sexual slave the Concubine of the Levite and she will take his place so he will not be sexually sodomized. Then this concubine is murdered from her being forced to encounter sexual activity with the gay sodomites. Then the death and destruction God makes against all those who try to protect the wicked actions of the gay sodomites that murdered the concubine.

Let us set the stage for the murder of this concubine and show it was not the death of the Concubine but other circumstances for the demand of wicked men to commit gay sodism with the Levite Master of the concubine and she the concubine took his place in their demand for sodomy that was the cause of the concubine to being murdered as the ultimate sacrifice for her Levite master.

This Historical evidence is written as a warning to all Christians, about A certain Levite man or a man from the tribe of Levi living in the side of Mount Ephraim (about six miles north of Jerusalem) . This certain Levite had a

concubine (a). The original home of the Concubine is from her Father's house that was in the city of "The House of Bread" or "Bethlehem of Judah." Bethlehem is located a short distance about two miles to the south east of what is now called Jerusalem. Many men women and children of Israel will die not because of this woman who was not an Israelite but because the actions and circumstances surrounding the death of this woman who was only a sexual slave or concubine of who was not an Israelite. This concubine (sexual slave) of the Levite was a sexual slave to a man who was an Israelite or a man who was from the tribe of Levi or a Levite.

A concubine is not what we today call a wife. A Concubine is a woman either an out cast or considered a low cast woman that a Levite or an Israelite man could not take her as his wife but could purchase her or make a contract for her as a slave or a sexual mistress.

Be careful to take note the time and consider the value of this low cast woman. The Israelite man such as this Levite is -not allowed to take a foreigner (a female who is not of the seed of Abraham) for a wife neither is it lawful but he will illegally against their law of God through Moses take a foreign woman (a woman who is not an Israelite) to become what is called a concubine (sex slave).

The word "wife" is not a Bible word and there is no word equivalent of "Wife" written just once in the entire ancient languages of the Bible. To describe a wife is written in the possessive case as "the woman of him." A Concubine was

not “the women of him” but was a concubine a sexual mistress.

Do not over look the Hermeneutics (the environment) A Life in this ancient century is cheap especial the life of a low cast concubine. As wealthy as God had made ancient Israel by our modern Standards this Israelite man who owns a “concubine” her life is valued as near to nothing when compared to the life of just one Israelite.

The women of ancient Israel who were either given, purchase or contracted for to be a wife (woman) of an Israelite man and she is identified only as in the possessive case and is correctly stated as “The woman of his.” The Levite man was identified or spoken in the subjective case as “The man of hers” by either the wife or by the concubine but in the sense of the concubine Her master as a slave owner.

The standard of life for most wealthy in this ancient society of Israel is considered today as their hardships to be worse than any third world country today. People of this century have no experience of the hardships of even the most wealthy in this so called the promised land.

In our modern society we would identify this low cast woman of the Levite who is a concubine as a legal Mistress. In this society of ancient Israel a concubine was more a slave than she was in what we understand to be a wife. The children from the concubine were not allowed to receive any inheritance from the father’s children through a concubine. The father could make arraignment

for his children from a concubine but the land could not be given to any children from a concubine.

In this ancient society of Israel, Israelite slaves were - illegally allowed by the state to be owned for sexual activity. Or in the subjective case for the woman would state her ownership as “her man.” The death of this particular concubine that will be a part reason that will cause of the death of thousands of Israelites. This concubine was the illegitimate property of the Levite because no Israelite was to join together sexually out side of the tribes of Israel. Then know the law through Moses this concubine was illegal sexual mistress that the law for some reason was over looked by the rulers. This concubine of the Levite may have been a Canaanite or a Jebusite woman who the Canaanites and Jebusites were allowed illegally by the tribe of Judah and Ephraim to dwell among them.

In the entire Bible history a marriage was made only in the sexual act between a man and a woman.

There was never the need for a Marriage licensee for the people of God to get married. The marriage (sexual Joining) between the man and the woman was sanctified as legal or lawful Not once in the entire Bible records is any marriage made with the need for a Marriage license. Marriage for the people of God for thousand of years was made only through the performance of the sexual act between the man and the woman. Every sexual act between a man and the woman is understood to be a Marriage and God will only sanctify (make holy) this

sexually joining together only if the sexually joining together in marriage was legal or lawful.

We have records showing the Israelites actually married foreigners against the law and at one time they were commanded to legally divorce them. A Levite could own a Canaanite woman from the territory of Ephraim or she could have been a Jebusite woman from her home in the city called “The house of Bread” (Bethlehem is the city “House of Bread”). The “Jebusites” were illegally allowed to live together with the tribe of Judah (The Jews). The concubine could not have been a slave from low cast Jew. All Slaves except concubines could get their freedom every seventh year but concubines could never be made free by the law through Moses but with the exception of a written divorce decree from the man (Deut 24:1-4).

A child born from the concubine can not become an Israelite. A concubine is a sexual slave and she is not considered what we today identify as a wife, because for the reason the law of Moses commands the man is not allowed marry the concubine (a woman who is not of the tribe of Israel) and not allowed to call his sexual activity with this woman who belongs to him as “His woman” meaning his wife. The concubine may be his property but now a legal wife.

Now let us set the stage and what surrounds this murder of the concubine of the Levite by a few gay sodomites. Who and what is the Levite. Most men and women of the

ancient tribe of Levi God has given them a very different responsibility to be the servants (or slave) to all the other People of Israel. Because of their slave like responsibility of the Levite to the people of Israel all of the tribe of Levites are designed to get the first and the best of everything produced in ancient Israel. The chosen tribe of the Levites are chosen to be slaves to the chosen people.

Today you would give to the Levites the best Cadillac to drive because the responsibility of the Levite who becomes a priest would be to use the Cadillac you gave to them to drive those who are helpless to their needed destination. You would give the Levite Priest the best of your harvest because the duty of the priest will be to share the best of what you give to him with the poor and destitute of the land. Understand what a wonderful social world of sharing prosperity that should have been, only if the Levites and the Levite priest and all Israel had conduct selves in the agape love for one another as was the original design of God for the Levites as servants or slaves to all Israel.

The Levites were chosen to be the servants (slaves) of the people of Israel. The Levites had no inheritance but they were government workers and they were paid from the tithes and sacrifices as taxes from the working class of the people. The Levites were the Cohen or the free physicians of all the people of Israel. The Levite priest were both the spiritual teachers and the physical servants of the people of all Israel. The responsibility of the tribe of Levi had the entire responsibility to the spiritual and physical welfare

of the entire people of Israel. The Levites were not allowed to own land or houses but the Levites received the taxes of the government of all Israel. If you get sick in the middle of the night, and you need a physician, then in the middle of the night you send for the priest Cohen to come to your house and you were not required to pay the priest or the Levite anything for their services performed by the priest or the Levite. In an Emergency if you need help putting the roof on your house, then you call for the Levite or a the priest and his Levi helpers are your slaves and they are responsible to come to help put your roof on your house. In any emergency when it Looks like there will be rain and you need help to gather the harvest before the rain, you call for the priest and Levites to help get the harvest in.

Today after you given them your money and in an emergency just try and get the modern Pope, priest or a Bible teaching preacher to give you a hand to put the roof on your house.
