# Confessions Of A Homophobe

## Closets Are Scary Nooks!

I'm coming out. Step aside! This isn't easy for me, coming out of the closet. I have reached a point in my life that I can no longer remain silent about something that is so deeply misunderstood by so many others. Unless you have experienced the negative climate and hostile behavior of those who resent my secret, you could never understand the emotional instability and heartache attached to my alternate lifestyle. For, you see, I am beset with *homophobia*—a fatal politically-incorrect disease. There isn't much tolerance for homophobic minds in today's culture. Why other minorities have been so readily accepted and their platforms promoted, is beyond me.

## No Seat At The Table—Oooh, my!

“Gays” can have their marches and project their political clout with certain parties and gain funding for health insurance and other entitlements, but the lowly homophobe is looked upon with disgust and derision. He has no seat at the table of public opinion, nor does he receive the respect he deserves when he is brave enough to come out of the homophobic closet and stand tall in the face of his detractors.

**One of the most horrendous trials we homophobes must endure is the insensitive and demeaning terminology used to describe us. Who wants to be known as someone who hates humans? For that is what the term “homophobe” actually means. “Homo” means “human” and “phobe” entails “fear” and “great distaste.” We straight heterosexual men do not like to be called by ugly names such as “homophobes.” We prefer to be called “joys.”**

**The homosexual community has chosen to select a lovely word from the English vocabulary to describe themselves and to put a better slant on their perverted and unnatural behaviors among the same sex. They wish to be called “gays.” Well, we healthy and God-fearing men and women who agree that same-sex arrangements are condemned by God simply wish to be called “joys.” Don’t call me homophobe. Just call me joy. Doesn’t that sound a whole lot more politically correct? I mean, in today’s culture, what minority group should be rebuked and mocked for holding a strong opinion about what is right and wrong?**

### **Can’t “Joy” Be A Genetic Makeup?**

**We have not chosen to be homophobic. We are *joy* because of some inherent genetic makeup. We can’t help ourselves. We must stand against homosexuality and speak up against it for what it is—aberrant and antisocial behavior that results in emotional and physiological sickness. Who can fault us for being what we naturally are? Why are *gays* allowed to bash and vilify us innocent *joys* while we must remain mute regarding our strong feelings about the unhealthy homosexual lifestyle? Perverts can’t have it both ways. They can’t condemn us for our birthright to be joy and**

then expect us to remain silent regarding something clearly condemned by the God of morality.

### **God Approves Of Joy**

Joy isn't spoken against at all in the Bible. As a matter of fact, it is encouraged. But men sleeping with men and women with women is spoken against in the harshest of terms. The entire cities of Sodom and Gomorrah were destroyed for their practice of the vulgar and horrible homosexual lifestyle. The etymology of our word "sodomy" has its origin in the Bible.

### **My Emotional Distress Is Bubbling Over!**

Most citizens of the world do not understand how difficult it is to remain closeted with this secret that is looked upon as politically incorrect. Many of my mutual "joys" have confided in me how hard it is to keep their jobs for fear that it might be discovered they are heterosexually-married "joys" with children. The emotional distress alone has taken a great toll on the many who are straight in their attempts to honor God by marriage and family after the Adamic pattern established in the beginning. God didn't create Adam and Everett. It was clear from the first family that being heterosexual is the God-ordained pattern for humankind.

### **Well, We've Made A Decision**

We have finally decided to keep our secret no longer. Most of us, some still admittedly timid, are now coming out into the open and declaring our rights as citizens of the world and of this once great nation. Governments should begin at once to acknowledge our lobbying efforts. Funding should be set aside for the rehabilitation of those of us who have experienced great emotional trauma for having to repress our heart's

desire to be “joy.” Reparation bills should be submitted and passed at once for all of us who have suffered the slings and arrows from living a lie, pretending to accept homosexuality as just another lifestyle, when all the while we knew it was wrong but couldn’t speak up for fear of being labeled homophobic.

**Leave My Self-Esteem “As Is!”**

Yes, I am “joy” and happy to be identified as such. Nobody can take away my self-esteem. Nobody can change what I am inside by referring to me with nasty and uncharitable language. Homophobe? Yes, if you wish to use such terminology. I stand with God and all others who desire to do His holy will in the intimate and sacred relationship known as marriage. The very nature of homosexuality precludes having children. The lifestyle itself is unhealthy in every way. So, to be homophobic is natural. How could anyone find fault with someone who is simply living out his normal birthright? To do so would simply be politically, socially, morally, intellectually, and logically incorrect.

Addendum by Will Wade;

This brother has helped to more convinced me, when demons give the name to us as a homophobe, We cannot

make the claim to be a Christians and at the same time join together with the Sodomites and accept their world of what is deviant. As a Christians we can not exist in a the world of fantasy and movie make believe. As the world changes into a world that exist in fiction of fantasy, and emotional movie vicarism. We must distance self and come out of the world of fiction, fantasy, movie vicarism and reject the world of “make believe.” We all must come out of our closets and we all must come out of all fiction and make believe or else our God will reject us in our silence as consenting in togetherness with His enemy or those that Hate Him. See this on this web site, -All are to be killed, all the men, all the women and all their Children and kill all that refuse to go and kill, the men the women and their children, all those that consent to protecting the life style of the Sodomites. Old Testament **God Commands “Kill Those Who Protect Rights Of The Homosexual”** (Will Wade).

### **From the Ekklesia Bible translation**

**Ekklesia Bible translation Romans{1:18} For the wrath of God is revealed from heaven against all ungodliness and [illegal] works without law of men, who hinder the truth in[their] works without law;**

**{1:19} because that which is known of God is manifest in them; for God manifested it unto them. {1:20} For the invisible things of him since the creation of the world are clearly seen, being perceived through the things that are made, [even] his everlasting power and divinity; that they may be outside excuse: {1:21} because that, knowing God, they glorified him not as God, neither gave thanks;**

but became vain in their reasoning, and their senseless heart was darkened. {1:22} Professing themselves to be wise, they became fools, {1:23} and changed the glory of the incorruptible God for the likeness of an image of corruptible man, and of birds, and four-footed beasts, and creeping things. {1:24} Wherefore God gave them up in the lusts of their hearts unto uncleanness, that their bodies should be dishonored among themselves: {1:25} for that they exchanged the truth of God for a lie, and worshipped and served the creature rather than the Creator, who is blessed for ever. Amen.

{1:26} For this cause God gave them up unto vile passions: for their women changed the natural use into that which is against nature: {1:27} and likewise also the men, leaving the natural use of the woman, burned in their lust one toward another, men with men working God disgust, and receiving in themselves that recompense of their error which was due. {1:28} And even as they refused to have God in [their] knowledge, God gave them up unto a reprobate mind, to do those things which are deviant; {1:29} being filled with all [illegal] works against [written] law, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit, malignity; whisperers, {1:30}

backbiters, hateful to God, insolent, haughty, boastful,  
inventors of evil things, disobedient to parents, {1:31}  
outside understanding, covenant-breakers, outside natural  
affection, unmerciful: {1:32} who, knowing the ordinance  
of God, that they that practice such things are worthy of  
death, not only do the same, but [death] also to them that  
consent with them [in] that practice.
